SWEET-Ione 5/29/19 Camas Center (4)

- MVUM - shows OHV routes
  - the USFS is open to re-routes
- IRA - doesn't have much access to snowmobiles, but we need to know of any breaches
- Wildlife surveys
  - goshawks - no active nest found
  - poop from goshawks in a line, very distinct from other birds
  - active nests - how do these change from year to year?
  - timber harvests effects - manage by structure class, habitat moves around
