Dear Jay:

On April 2, 2015 you, Quinn Smith and Gary Kirkman met with Kendell, John and Andy to discuss the 2015 Annual Operating Instructions for the Johnson allotment. The grazing numbers and season of use, as discussed are 25 c/c from July 15 to September 30. Adjustments to these numbers and season of use may be needed during the grazing season.

The desired utilization level is 25% to 30% within the key areas on key species. We would like you to monitor utilization after leaving the allotment.

This letter will serve as your 2015 Annual Operating Instructions for the Johnson allotment. If you have any questions, please contact Kendell, John or Andy at (928) 368-2100.

Sincerely,

Edward W. Collins
Lakeside District Ranger
