ROCKY MOUNTAIN REGION CENTRALIZED TEMPORARY FIRE VACANCIES OUTREACH FOR 2016 SEASON

Updated December 7, 2015

This Outreach Notice lists vacant temporary fire positions across the Rocky Mountain Region scheduled to be filled for the 2016 field season. As many as 350 positions are expected to be filled throughout the region on engine, helitack, hotshot, fuels, handcrew and prevention crews along with fire clerks, airtanker base, and fire dispatch positions.

How to use this list of positions:

1. Use this list to identify the types of positions and locations that you may be interested in applying.
2. Read the document "General descriptions of fire suppression positions"- available at this web page to better understand the differences between the types of fire suppression positions.
3. Within this list, links have been provided to individual Ranger Districts and specific module and crew pages. Use these links to get more information about locations and positions.
4. Contact the Hiring Manager identified to get more specific information about the position.
5. Check back with this list regularly as we will continue to update it as changes are made.

These positions will be advertised on www.usajobs.gov for seven days, January 7-14, 2016.
