WHITNEY PORTAL ROAD CONSTRUCTION INFORMATION

Updated July 5, 2016

Construction on Whitney Portal Road includes new pavement and drainage upgrades that will improve safety on this popular route.
Flaggers and a pilot car will manage traffic through multiple construction zones during working hours.

Construction Schedule July 5 - July 8:

Tuesday – Friday: 6:30 a.m. - 6:30 p.m.
Expect a total traffic delay of up to 30 minutes.

Construction Schedule starting July 11:

Monday – Friday 6:30 am to 6:30 pm
Plan for extended delays: 8:00 am - 11:00 am & 1:00 pm - 4:00 pm in the upper section of road (just before the first switch back at the winter closure gate).
Expect 30 minute delays outside of the extended delay times and areas, but within construction schedule.
Road side parking will be unavailable throughout the project until further notice.

These extended delays in the upper section of road are necessary during pulverizing and paving operations.

Hat Creek Construction Materials Inc. understands that no one enjoys delays and we assure you that we make every effort to minimize your delays while providing the necessary safety for you and our workers.
