1	**GMUG RAC Projects Recommended for Funding FY2008-2014**					
2	**Project Name**	**Year**	**Amount**	**Status**	**Partner**	**Description**
3	Spruce Picnic Area	2008	$49,000	Complete	Garfield Co.	Install new sanitation facility; mitigate soil erosion; provide interpretive signing
4	Kebler Pass Culvert	2008	$140,000	Complete		Replace undersized culvert with larger, natural bottom culvert for fish passage
5	Cement Creek Trails	2008	$41,800	Complete	Multiple	Relocate trail out of riparian area and restore wetlands
6	Noxious Weed Treatment-Gunnison	2009	$15,000	Complete	Multiple	Treat areas infested with noxious weeds
7	Noxious Weed Treatment-Montrose	2009	$71,000	Complete	Montrose Co.	Treat areas infested with noxious weeds
8	Grand Mesa Winter Improvement	2009	$60,000	Complete	Nordic Council	Purchase and install sanitation facilities at County Line Trailhead parking area
9	Gothic Road Culvert Replacement	2009	$122,000	Complete		Replace undersized culvert with larger, natural bottom culvert for fish passage
10	Noxious Weed Treatment-Garfield	2009	$30,000	Complete	Garfield Co.	Treat areas infested with noxious weeds in Garfield Co.
11	Pipeline/Doughspoon Road	2010	$88,162	Complete	Multiple	Repair and regrade highly eroded road in Delta Co.
12	Noxious Weed Treatment	2010	$15,000	Complete	Multiple	Treat areas infested with noxious weeds on NFS lands near Crested Butte
13	Dominguez Road Hardening	2010	$20,000	Complete	Mesa Co.	Create hardened ford across Dominguez Creek for water quality enhancement
14	Alpine Plateau Road-Phase 1	2010	$43,100	Complete	Gunnison Co.	Grade and replace road surface on NFS Road and replace surfacing
15	Hwy 65 Cooperative Weed	2011	$20,000	Complete	CDOT/Delta Co	Treat noxious weeds along Highway 65 on the Grand Mesa
16	Gunnison Toilets	2011	$85,000	Complete		Replace leaking toilets (2); install new toilet at popular recreation site for watershed health
17	Coal Creek Watershed Restoration	2011	$17,337	Complete	Coal Crk.Coalition	Enhance watershed quality in impaired areas-Coal Creek
18	Cement Creek Area Restoration	2011	$10,000	Complete	Multiple	Move and restore trail along Cement Creek to benefit fisheries habitat and sustainability
19	Alpine Plateau Road-Phase 2	2011	$26,800	Complete	Gunnison Co.	Grad and repair road surface and replace gravel on NFS Road
20	Battlement Mesa Reservoir	2011	$35,000	Complete	Garfield Co.	Remove user developed trails; reduce erosion; restore vegetation
21	Cattleguard Replacement	2011	$32,615	Complete	Montrose Co.	Remove broken/too short cattleguards on main roads accessing Uncomp. Plateau
22	Coal Creek Restoration Project	2011	$32,000	Complete		Treat riparian and surrounding areas for noxious weeds.
23	Noxious Weed Management CB2	2012	$15,000	Complete	Multiple	Treat areas infested with noxious weeds on NFS lands near Crested Butte
24	Sustainable Trails	2012	$19,900	Complete	Multiple	Repair eroded trails and provide sustainable surface and tread
25	Garfield County Weeds #2	2012	$18,000	Complete	Garfield Co.	Treat noxious weeds in Garfield Co.
26	Uncompahgre Toilet/Water Quality	2012	$4,000	Complete		Remove broken toilet with leaking vault for watershed health
27	Dominguez/Musser Stock Ponds	2013	$5,000	In Process	Grazing Permittees	Install/clean out silted in stock ponds for water supply for cattle and wildlife
28	ATV Cattleguards	2013	$10,000	In Process	Thunder Mtn.Wheel.	Install ATV passageways that keep livestock in allotment on ATV trails.
29	Uncompahgre Plateau Cattleguards	2013	$30,000	In Process	Montrose Co.	Continue replacing old, too short cattleguards on main access routes
30	Garfield County Weeds #3	2013	$24,500	In Process	Garfield Co.	Treat areas infested with noxious weeds in Garfield Co.
31	Ecosystem Resiliency and Riparian	2013	$12,000	In Process	Multiple	Stabilize eroded stream banks, expand wetland/riparian and Gunnison Sage Grouse habit.
32	Noxious Weed Treatment-CB	2013	$12,000	In Process	Multiple	Continued backcountry noxious weed treatments
33	Old Grand Mesa/Kiser Creek Crossing	2013	$45,000	In Process	Delta Co	Replace culvert with bridge structure and eliminate water ford

	A	B	C	D	E	F
34	Schofield Pass Low Water Crossing	2013	$29,100	In Process	Gunnison Co.	Replace culvert; construct hardened low water crossing
35	Sustainable Trails #3	2013	$10,000	In Process	Multiple	Repair and obliterate unsustainable /erosive trail sections
36	Uncompahgre Toilet Relocation	2013	$12,000	In Process		Remove and re-use toilet vault in new location for watershed health
37	Cayton Outhouse Replacement	2013	$15,000	In Process		Install sanitation facility for watershed health at historic recreation site
38			$1,215,314
