VAIL PASS Winter Recreation Area
WHITE RIVER NATIONAL FOREST

VAIL PASS RECREATION AREA RESPONSIBILITY CODE

Safety at Vail Pass is everyone's responsibility. Ride and drive safely–not only for yourself, but for others as well.

Your Responsibility as an Operator:
1) Carry and know how to use avalanche rescue gear.
2) Obey all posted signs and area designations.
3) Yield to up-hill traffic and snowcats.
4) Ride single file on the right and pass cautiously on the left.
5) Always stay in control and maintain the ability to stop.
6) Use established pick-up and drop-off areas.
7) Do not stop where you obstruct roads and trails or are not visible to other users.
8) Stow tow ropes when not towing a skier/rider.

Your Responsibility as a Skier or Rider:
1) Carry and know how to use avalanche rescue gear.
2) Always stay in control and maintain the ability to stop.
3) Stack your tracks, terrain conservation benefits all rides.
4) Always ski or ride the fall line.
5) Expose only one person at a time to potential avalanche terrain.
6) Do not ski or ride above groups below, especially on steep terrain.
7) Please do not build snow jumps using groomed routes as start or landing zones.
