Subject: Comment on Upper Chattooga River Environmental Assessment
Date: 07/18/2008 10:32 PM

To Whom it May Concern:

I do not agree with the boating restrictions within Alternative 4. I do agree with Alternative 8, as stated in the summary page, that provides less restrictions on boating. However, I do favor of the parking restrictions and camping restrictions within Alternative 4.

Please, consider my comments and provide more boating opportunities on the Upper Chattooga River.
