Forest and
Grasslands**

March 2010

Kiowa, Rita Blanca, Black Kettle, and McClellan Creek National Grasslands

Working Draft Land and Resource Management Plan

Prepared by:

The Cibola National Forest and National Grasslands
2113 Osuna Road NE
Albuquerque, New Mexico 87113

and

USDA Forest Service
Southwestern Region
333 Broadway SE
Albuquerque, New Mexico 87102

Acknowledgements

The staff of the Cibola National Forest and National Grasslands was instrumental in identifying participants and arranging the discussion groups for this project. Their professionalism and patience in assisting with this work is noteworthy. Others have provided useful consultation on the structure and content of reports and their contributions are sincerely appreciated. Participants in the interviews and discussion groups deserve special thanks and acknowledgement for their willingness to contribute their time and thoughts in a true spirit of cooperation and concern to improve the future of the Cibola National Forest and National Grasslands.

DRAFT

Contents

Acknowledgements ..... **i**

Part 1: Introduction **1**
Background 1
Roles and Contributions of Grasslands 1
Planning Process 2

Part 2: Grasslands-Wide Management Direction **14**
Scenery 14
General Recreation 16
Developed Recreation 17
Dispersed Recreation 19
Motorized Recreation 20
Natural Tourism 22
Heritage Resources 23
Roads and Access 24
Land Adjustments 27
Minerals and Energy Development 27
Special Uses 30
Wind Energy Development 31
Livestock Use 32
Wildland-Urban Interface 32
General Ecological 34
Soil, Water, Air 35
Invasive Plants and Animals (Native and Nonnative) 38

Part 3: Management Area-Specific Management Direction **39**

Black Kettle and McClellan Creek Management Area **39**
Scenery 39
Developed Recreation 40
Dispersed Recreation 41
Motorized Recreation 42
Heritage Resources 42
Minerals and Energy Development 43
Wildlife Habitat Improvement 43
Water, Watershed, Perennial Streams, Reservoirs, Lakes, and Ponds 44
Invasive Plants and Animal Species (Native and Nonnative) 45
Mixed Grass Prairie PNVT and Shortgrass Inclusion in Unstable Areas of Shallow Soils 46
Shinnery Oak PNVT and Inclusions of Historically Deep-Plowed Sites 47
Mixed Hardwood Riparian PNVT 49

Kiowa and Rita Blanca Management Area **52**
Scenery 52
Dispersed Recreation 53
Motorized Recreation 54
Heritage Resources 54
Lands Adjustment 54
Minerals and Energy Development 54
Livestock Use 55
Wildlife Habitat Improvement 55
Water, Watershed, and Perennial Streams 57
Shortgrass Prairie PNVT and Inclusions 57

Piñon-Juniper PNVT and Juniper Grasslands Inclusion 64
Cottonwood-Willow Riparian PNVT 66
Sand Sagebrush PNVT 67

Mills Canyon Management Area 70
Integrated Social and Economic Direction 70
Vegetation in Canyon Lowlands, Woodland Piñon-Juniper on Canyon Steep Slopes, Cottonwood-Willow Riparian and Canadian River 71

Part 4: Special Areas 75
National Trails and Scenic Byways 75
Eligible Scenic River 78

Part 5. Suitability of Areas, Monitoring Elements 80
Suitability 80
Monitoring 84

Appendix A: Maps 100
Appendix B: Proposed and Probable Management Activities 120
Appendix C: Disturbance Factors and Ecological Processes 125
Appendix D: Species Status of Risk Rankings 128
Appendix E: Common and Latin Names used in Desired Conditions 131
Appendix F: Other Special Areas Considered but Not Recommended 134
Appendix G: RNA Evaluation: Review of Representative Ecological Conditions 135
Appendix H: Glossary 148
