Kamiah, Idaho, August 29, 2015 – Due to public safety concerns, Nez Perce-Clearwater National Forest officials are in the process of closing a large swath of national forest system land to public use. They request that:

1. Recreationists currently on the Nez Perce-Clearwater National Forests relocate to areas outside of national forest system lands safely away from fire activity, and
2. Prospective Forest visitors Forest visitors find alternate locations away from the Nez Perce-Clearwater National Forests at this time.
