The South Fork Salmon River Fishing Season

The opportunity to fish for salmon on the South Fork Salmon River is a fun and exciting experience. To protect the land and resources and provide for public safety, while allowing for this very popular activity, these additional rules apply.

Fishing Area Regulations

Camping, Parking, Travel Management and Glass Container Restrictions

These restrictions apply specifically to the closure area along the river.
Please review the allowed uses displayed on the map and comply with the area restrictions.

A special order for these restrictions is posted on the information boards on National Forest System Roads 474/674 (South Fork Salmon River Road). If you are unfamiliar with the landmarks in the area or are confused as to where exactly the closure area is, please take time to study the map inside or ask Forest Service or Idaho Fish and Game personnel staffing the area.

Camping

- **Camping is prohibited in areas posted as closed to camping.**
- **Camping at one location is limited to fourteen (14) days on the Boise National Forest and eighteen (18) days on the Payette National Forest. Longer stays in the same location are prohibited.** If your camp is approaching the stay limit for your area, plan on moving it no less than five miles away from its current location.
- **Campgrounds are shown on the map, and additional camping can be found both in the Warm Lake basin or in primitive camping sites along the river. Use of the motor vehicle use map (MVUM) will assist in identifying routes available for dispersed camping.**
- **Leave your campfire DEAD OUT. Persons whose campfires escape control can be held liable for the cost of fire suppression.**
- **National Forest System Road 474E at Goat Creek is closed at the upper end to all access for 2011, for reforestation efforts including helicopter operations (Special Order #0402-04-49).**

Parking

- **Overnight camping, parking or leaving a vehicle on the <u>paved</u> surface of National Forest System Roads #474 or #674 is prohibited.**
- **Overnight parking or leaving a vehicle or trailer in an area posted as closed overnight is prohibited between the hours of 11:00 p.m. and 4:30 a.m.**
- **Do not park a vehicle in such a way that it impedes the safety or convenience of other drivers.**

Travel Management

- **Restrictions apply for both on and off road motorized vehicles, please refer to the MVUMs for each Forest.**
- **Licensed vehicles and drivers are permitted on the 474/674 (South Fork) road only.**

Glass Container and Litter

- **Possessing or storing any glass food or beverage container on or near the riverbank is prohibited (see glass container restriction area on the enclosed map).** Possession of glass containers in your vehicle is allowed. Taking any glass container to the riverbank is prohibited.
- **Littering is prohibited.** Please pack out all of your camping and fishing garbage. The Warm Lake Transfer Site is open to the public and is located on the north side of the Warm Lake Highway less than 1 mile west of the South Fork Road (see map).

Please Honor Tribal Fishing Traditions

- **Tribal fisheries that occur in Idaho are governed by the Tribes and have different rules than the Idaho sport fishery. Please honor and be respectful of their fishing traditions.**
