Forest boundary

National Forest Land open to firewood cutting.

Areas where firewood cutting is prohibited for administrative reasons. (Including semi-primitive, old-growth, and other sensitive areas.)

Areas with timber sale units in which cutting is prohibited. (Timber sale units are bounded by orange and/or red paint and ribbon lines and/or have trees marked within them with blue, yellow, green or orange paint.)

EAST of the Indiana Bat line, cutting or gathering of STANDING DEAD trees for firewood will be permitted from April 1 through March 31. WEST of the Indiana Bat line, cutting or gathering of STANDING DEAD trees for firewood will be permitted only from April 1 - April 30 and from September 1 through March 31.

In addition to areas shown on the map, cutting is prohibited within 200 ft of lakes, streams, rivers, or areas of standing water, and from within 1/4 mile of developed recreation areas.
