## IMPORTANT TRAVEL NOTICE

All motorized users should obtain the latest Motor Vehicle Use Map (MVUM) for National Forest System roads, trails and areas designated open to motor vehicle use. **The MVUM is best used in conjunction with this District Map.** This District Map is for information only and displays both motorized and non-motorized roads and trails, topographic features, and other visitor information. The MVUM displays which roads, trails and areas are open to motor vehicle use.

**It is your responsibility to refer to the MVUM to determine which routes and areas are designated for motor vehicle use.**

**Motorized, wheeled cross-country travel is prohibited.**

Over snow vehicle use (winter) is shown on the District Winter Maps.

**MVUM** is available free of charge at the Forest Supervisor's Office and District Offices or on Our web site: ***http://www.fs.usda.gov/kootenai***

It is your responsibility to know where you are and what federal and state regulations are in place for hunting and access. Stay on designated routes. Any violations on public lands should be reported

This map was generated from electronic data files (GIS coverages) which were scanned or digitized from information compiled at 1:24000 scale. The data on this map is based on the accuracy and precision of the 1:24000 USGS quad maps, and 10-meter resolution satellite imagery, which were used to generate or rectify map data. This map is to be used as a reference only, and is not intended for use in site-specific planning. The information on this map is subject to revision as field data and technical processes improve.
