Hydro - Ax Mowing Stewardship Project

This task consists of mowing/chopping of down trees and brush up to 7 inches on 106 acres on 6 sites. Vegetation on all sites will be mowed within one foot of ground level. Operator will avoid wet areas and damaging any large diameter (> 10 inch) trees. Contractor shall furnish equipment and labor to perform work. This work must be done within two years of award of contract.

Sites	Forest type	Acres	Season of operation
55/023	Aspen	19	Dry or frozen
55/027	Aspen	33	Dry or frozen
55/028	Aspen	08	Dry or frozen
55/029	Aspen	19	Dry or frozen
55/030	Aspen	08	Dry or frozen
55/055	Aspen	19	Dry or frozen
Total		106
