Outlaw Cattle Corporation  
Preston Bates (Manager)

As per your conversation this week with Collin Ewing, this letter serves as an amendment to the 2005 Annual Operating Instructions (AOI) for the Outlaw Cattle Corporation. Your rotation schedule is hereby amended as follows:

Pasture	Time Frame	Comment
Loco	7/1-8/15	Preston, if you see that you will be unable to meet this schedule, please contact Collin Ewing in advance to request an amendment to your AOI.
Canyon Creek	8/16-9/30	
Through Pitchfork and 7HL to North Ewe and South Negrito Holding	10/1-10/30	
7HL and Pitchfork	9/1-2/28	
Bearwallow	Rest	

Thank you for your cooperation in allowing the Blairs to move cattle onto the allotment. 2005 has been a unique year. The conditions are right to allow natural fire to return to the forest. I realize that this is inconvenient to you and your ranch operations in the short term but I am confident restoring natural fire cycles to the ecosystem will be beneficial to everyone in the long term.

Sincerely,

/s/ROGERS M STEED
