March 4, 2014

2014 Summer Season
Temporary Employment Opportunities

Eldorado National Forest

The Eldorado National Forest is seeking qualified applicants to fill a variety of temporary full-time positions for the 2014 summer season.

Positions are within various departments such as **Recreation, Timber, Silviculture, Engineering Equipment Operator, Wilderness, Archaeology, Information Assistant and Visitor Information**. The deadline to apply to these positions will be indicated on the vacancy announcement you are interested in applying for**.**

For positions listed below, candidates who submit a completed application by midnight eastern standard time on March 12, 2014 will be considered and referred to the hiring manager prior to those who apply after this date. Therefore, you are encouraged to apply for the position as soon as possible. This announcement will remain open until the closing date indicated; however, those who apply after the cut-off date will be referred to the hiring manager only if no selection is made from the initial group. In the event an applicant makes corrections and resubmits their application, the date the application is last submitted will be used to determine those who are considered to have met the cut-off for referral to the hiring manager. The close date for positions below is 17 March, but it is strongly recommended that applicants have their completed applications in by 12 March.

The length of season and number of positions will depend upon budget and needs. Seasonal housing may be available for employees.

Please refer to the position listing for the vacancy number(s) and duty station for each position in which you are interested in applying for. Those that wish to be considered for available positions must apply to the corresponding announcement number by the close of business on ***the day the vacancy announcement closes. The closing date will be listed on the vacancy announcement***. All applicants who have applied to announcements on or before the listed closing date and are found to be qualified will be referred for consideration. The vacancy announcements for these positions are posted on the USAJobs website found at www.usajobs.gov. Applicants must submit their application through www.usajobs.gov.

How to apply: Apply online at USAJobs.gov. This online application process allows applicants to submit employment information that can be printed for personal use and/or edited on the website for future use. Clicking the links below will take you to the announcements on USAJOBS. If you do not have a USAJOBS account the system will help you establish one. Your account can be used for other federal job vacancies.

March 4, 2014

Important: If you wish to be considered for these positions, you must apply prior to the closing date listed on the vacancy announcement. Please specify which locations you wish to be considered for. Locations include: **Camino, Pollock Pines, Georgetown, Pioneer and Placerville, CA**

THE USDA FOREST SERVICE IS AN EQUAL OPPORTUNITY SERVICE PROVIDER AND EMPLOYER

U.S. FOREST SERVICE – Eldorado NF
Temporary (1039)
2014 Field Season Positions

Many of these positions require physical exertion, in rough terrain, in a full range of weather conditions. Work week schedules vary depending on the position. Forest Service housing may be available. Many positions and project work require camping out for extended periods. Contact the supervisors identified to learn more specific information for each position

There may not be a second offer at a more desirable location. Applicants are strongly encouraged to make personal contacts at desired locations. Speak directly with hiring managers when possible. Some locations do offer housing and some do not. It is best to understand your housing needs and options prior to applying to those locations.

Veterans are encouraged to apply on the USAJobs web site under the Demo Authority (DP) where Veterans Preference is applied to eligible applicants. Veterans MUST submit a DD-214 if you are claiming Veteran's Preference.

Archeological Aid & Technicians: Primary duties include archaeological survey, site documentation, and site monitoring. Candidates must be able to conduct field work for long hours in rugged terrain in often remote areas during inclement weather and be able to carry equipment and supplies weighing up to 40 lbs. Equipment use will include topographic maps, GPS units, cameras, compass and may be asked to drive 4X4 trucks.

Forestry Aid: Assists in one or more of the following duties; cruising timber by following specific instructions on taking and recording simple measurements and running compass lines in the field using compass and chain; noting compliance with rules and regulations on parking, campfire, sanitation, use of picnic sites, or hunting and fishing; maintaining and cleaning up recreation/wilderness areas; performing standard fire prevention, dispatch, or outlook duties; or performing various standard duties related to silviculture activities.

Forestry Technician – Timber Sales Prep: Takes and/or records basic measurements such as compass readings, distance measurements, tree heights, tree diameters, tree growth, and determines common species. Receives training on marking trees for cutting using tools such as Spiegel Relaskop, clinometer, compass, chain, diameter tape, increment borer, electronic field data recorder, etc. Selects and marks individual tress for harvest using well defined marking guidelines, silviculture prescriptions, and specific instruction. Estimates individual tree volume by established methods. Traverses harvest units, produces maps. Designates sale area and cutting unit boundaries on the ground. Depending on grade, may provide leadership and direction to a crew performing a variety of field measurements, collection and monitoring tasks.

Forestry Technician – Timber Stand Improvement: Inspects contract for reforestation, timber stand improvement, or genetic tree improvement work such as planting, thinning, fertilizing, release, stand exam, cone collection, site preparation, and animal damage control. Examines plantations to determine present tree stocking and survival, tree species and conditions, presence of plantable areas for replanting or interplanting, competing vegetation species and density, and evidence of animal, insect or disease damage. Assists in preparation of contract for planting, thinning, fertilization, release, etc. by performing unit traverse, map preparation, and providing data for contract preparation and unit examination.

Forestry Technician – Recreation: Contacts visitors to provide information about recreation regulations, opportunities, and current restrictions. Provides information on resource management practices in the area. Check for compliance with regulations, issues notices for common violations, and reports other violations to

supervisor. Assures recreation area and trails are maintained in accordance with standards. Constructs and rehabilitates minor recreation facilities and trails. Makes safety checks of public sue areas and takes corrective actions. Depending on grade, may director of lead one or two lower grade employees engaged in recreation maintenance and/or contract work.

Forestry Technician – Trails: Employee is a crew member or leader for duties in support of programs in recreation and wilderness management with the ability to hike long distances in a remote setting., Duties include maintaining and constructing trails, installing waterbars, livestock guards, and/or bridges, using various tools and equipment.. Patrols trails to ensure operation, use, and maintenance in accordance with standards,. Uses tools such as chain saws, crosscut saws, adze, axes, and hand tools, and may operate ATVs, UTVs, 4x4 trucks and trailers.

Forestry Technician – Wilderness: Plans and implements the logistics of wilderness projects associated with trail maintenance and reconstruction projects. Performs trail log, condition, and prescription surveys.

Information Assistant : Duties include greeting visitor, answering telephones, and providing routine information about the forest and immediate area. The incumbent will also serve as a collection officer for the District. Other duties involve performing data entry and typing tasks as needed, as well as preparing and processing correspondence, reports, hard-copy and electronic filing; records inventory, mailing and shipping tasks.

Laborer : The position performs a variety of manual labor work using a variety of hand and/or power tools. Assignments often require heavy lifting, over 50 pounds, and strenuous physical effort, prolonged standing and walking, stooping and bending, climbing over uneven forest terrain and up steep slopes.

Engineering Equipment Operator (Helper): Performs the simpler and more routine operation of heavy gasoline or diesel powered equipment, such as, large industrial tractors, dump trucks, motor graders, soil compactors, tractors with attachments, dozer tractors, front-end loaders, backhoes, excavators and brush cutters. Labor duties require prior work experience or training and some degree of manual skill and very heavy physical effort, such as installation of culverts or drainage structures, installation of water sources and associated pipelines, and water capture and storage structures. Assignments require the use of heavy power equipment, common hand tools, and making minor repairs on various types of equipment used.

Engineering Equipment Operator (WG-5716-8/10) CDL Required: Incumbent operates one or more types of heavy equipment, such as graders, tractor with bulldozer or angle dozer blades, front-end loaders, backhoes, trench diggers, and large industrial tractors with pan or scraper attachments,. Work is generally done on flat or rolling terrain with simple terrain problems, such as forest roads or compounds. Incumbent maintains ditches, road shoulders and beds, fire lines and clears brush, tree stumps and rocks. Reviews the work to be performed and adjusts equipment attachments for a set level, angle, or depth, according to the type of equipment used. Ensures equipment is maintained in good working condition.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, sexual orientation, marital status, family status, status as a parent (in education and training programs and activities), because all or part of an individual's income is derived from any public assistance program, or retaliation. (Not all prohibited bases apply to all programs or activities.) If you require this information in alternative format (Braille, large print, audiotape, etc.), contact the USDA's TARGET Center at (202) 720-2600 (Voice or TDD). If you require information about this program, activity, or facility in a language other than English, contact the agency office responsible for the program or activity, or any USDA office. To file a complaint alleging discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, or call Toll free, (866) 632-9992 (Voice). TDD users can contact USDA through local relay or the Federal relay at (800) 877-8339 (TDD) or (866) 377-8642 (relay voice users). The USDA is an equal opportunity provider and employer.

HOW TO APPLY:

CONTACT the work supervisor identified on the previous page to get more information about the job and work location.

APPLY ONLINE at www.USAJOBS.gov

Step 1: Create a USAJOBS account (if you do not already have one) at www.USAJOBS.gov. It is recommended that as part of your profile you set up automatic email notification to be informed when the status of your application changes. If you choose not to set up this automatic notification, then you will have to log into your USAJOBS account to check on the status of your application.

Step 2: Create a resume with USAJOBS or upload a resume into your USAJOBS account. You may want to customize your resume to ensure it documents duties and accomplishments you have attained that are directly related to this position, so your application will meet required qualifications. (Ensure you provide exact dates of employment so your qualifications are accurately documented: e.g. *May 1, 2010* to *Oct 29, 2010* will be calculated as 5 months of experience; listing *May 2010 to Oct 2010* may be calculated as only 3 months of experience, assuming a start date in late May and an end date at the beginning of Oct).

Step 3: Search for the job announcement number. You may need to use the advance search option with the job title to find the correct job announcement number. Read the entire announcement and all the instructions before you begin. Click "Apply Online" and follow the prompts to complete the Occupational Questionnaire and attach any additional documents that may be required. Make sure you select a potential duty station that includes the town where the ranger station for your target job is located.

You can update your application or documents anytime while the announcement is open. Simply log into your USAJOBS account and click on "Application Status". Click on the position title and then select "Update Application" to continue.

For information regarding the application process contact: Tom Nichols at (530) 621-5203, email: tnichols@fs.fed.us

****

Apply online now at:

www.USAJOBS.gov

Contact the Supervisor/Hiring Contact for Application due Dates and Vacancy Numbers

Supervisors will request applicant lists from USAJOBS, and selections will continue until positions are filled.

Remember to identify the location where the position resides as a potential duty station, to ensure your application is considered for each specific position that you applied to.

Government Pay Scales:

GS3	$12.07/hr
GS4	$13.55/hr
GS5	$15.15/hr
GS6	$16.89/hr
GS7	$18.77/hr

Pay scale/grade level is based on the job duties and the education and /or experience necessary to do the job. Prerequisites are identified in the announcements on USAJOBS.
