How to Object and Timeframe

The opportunity to object runs for 45 days following the date of publication of this legal notice in the Southwest Times Record. The publication date of the legal notice in the newspaper of record is the exclusive means for calculating the time to file an objection, and that those wishing to object should not rely upon dates or timeframe information provided by any other source.

Objections will be accepted only from those who have previously submitted specific written comments regarding the proposed project during scoping or other designated opportunity for public comment. Issues raised in objections must be based on previously submitted timely, specific written comments regarding the proposed project unless based on new information arising after designated comment opportunities (36 CFR 218.8(c)).

The objection must contain the minimum content requirements specified in 36 CFR 218.8(d) and incorporation of documents by reference is permitted only as provided in 36 CFR 218.8(b). It is the objector's responsibility to ensure timely filing of a written objection with the reviewing officer. All objections are available for public inspection during and after the objection process.

Written objections, including attachments, must be filed with: Reggie Blackwell, Forest Supervisor 605 West Main Street, Russellville, AR 72801. The office business hours for those submitting hand-delivered objections are: 8:30 am to 4:30 pm Monday through Friday, excluding holidays. Electronic objections must be submitted in a format such as an email message, plain text (.txt), rich text format (.rtf), or Word (.doc, .docx) to *ozarkobjection@fs.fed.us*.
