RECREATION AREAS

FOREST SERVICE

CAMPING – Each campsite contains a picnic table, fire ring or grill, accommodates parking for two vehicles, a wheeled camping unit and tent.

Camping or otherwise occupying National Forest Lands for greater than 14 days in a 30 day period is not permitted.

RESERVATIONS – Selected Forest Service campsites can be reserved, be canceled, and customer information will be provided by calling the National Recreation Reservation System at:

1-877-444-6777 (U.S. & Canada)
www.recreation.gov
TDD 1-877-833-6777
FAX 1-301-722-9802

Payments can be made by VISA, Mastercard, Discover card, mailed personal check, or money order. The Forest Service cannot take reservations.

A reservation fee will be charged for family units and for group units. A two night minimum reservation is required for weekends and a three night minimum is required for holiday weekends at some campgrounds.

Reservations for family sites can be made 4 to 240 days in advance; group sites can be reserved 4 to 360 days in advance.

Local information can be obtained by calling any of our Forest Service Offices. If you are planning to camp and were unable to make reservations, we suggest you call Allegheny Site Management at 814-368-4158 to check availability.

Reservations for non-forest service facilities can be made by calling the responsible agency. See Agency Key listings below.

CAMPING IN UNDEVELOPED AREAS – The Allegheny National Forest is managed differently than other public lands in providing dispersed camping opportunities. Dispersed camping is permitted in most areas of the Allegheny National Forest. Camping is not permitted in the following areas:

- On the shores and within 1500 feet inland of the timberline around Allegheny Reservoir and the Tionesta Reservoir, except in the developed areas designed for camping.
- Jakes Rocks, Rimrock, and the main access roads into these areas.
- Within 1500 feet either side of the center line of Allegheny Reservoir Scenic Drive (includes Longhouse Scenic Drive and portions of State Routes 59, 346, and 321).
- Within either side of the main channel of Kinzua Creek from Red Bridge upstream to Mead Run.
- Hearts Content Scenic Area or Tionesta Research Natural Area.

Campfire permits are not required for camping in undeveloped areas. We ask that all persons camping in undeveloped areas use a cook stove, or build a safe fireplace, keep a clean camp (pack out what you pack in) and make sure any fire is fully extinguished before leaving camp. If latrines are needed, they should be provided in a suitable area to assure the health and sanitation of your family and others who will follow. Latrines should be dug 200 feet from streams. Waste needs to be in organic soil to break down, which may be less than 6" deep.

CORPS OF ENGINEERS

KINZUA DAM – Purpose...Flood control, low flow augmentation, recreation, and to enhance fish and wildlife habitat. Date put into operation...1966. Length...1877 feet. Maximum base width...1245 feet. Maximum height...177 feet above streambed.

ALLEGHENY RESERVOIR – Summer pool...1328 feet above N.G.V.D. Length...24.2 miles. Area in acres...12,080. Shoreline miles...91. Depth at dam...130 feet.

INFORMATION – Daily lake readings 24-hours a day—recorded messages (814) 726-0164. For more information call the Resource Managers Office at (814)726-0661 Monday through Friday 7:30 AM to 4:00 PM. Dam tours and Water Safety Programs available upon request. Information can be obtained by stopping at Big Bend Visitor Center.

PERSONAL FLOTATION DEVICES MUST BE WORN – All boaters are reminded that U.S. Coast Guard approved life jackets are required for each person on board and that the best protection against drowning is to wear your life jacket. In most states, children are required to wear life jackets, and in some boats, everyone on board must wear a life jacket. Know the rules before you go out on the water.

Legend

- – Access By Boat or Walking Only
- – Courtesy Dock
- – Access For People With Disabilities
- – Service Available

This brochure can be obtained in large print at the Allegheny National Forest, 4 Farm Colony Dr., Warren, PA 16365, 814-723-5150.

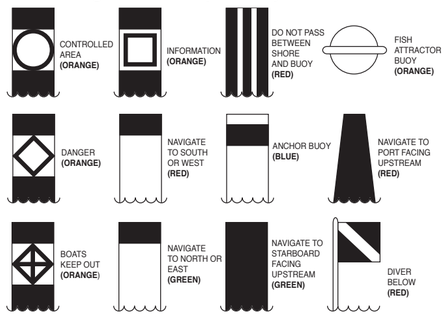
For Your Safety

Recognize and Obey All Buoys and Markers:



- **To Launch boats and canoes at all PA Fish & Boat Commission Access areas, you must possess a valid registration.**
- **Fishing licenses for the Allegheny Reservoir falls under three jurisdictions: PA – 75%, Seneca Nation of Indians – 22%, and NY – 3%. Since no reciprocal fishing agreements occur, appropriate licenses are required for each area.**

ALLEGHENY NATIONAL FOREST RECREATION AREA RULES

- Permissible length of stay is fourteen (14) days. Leaving your campsite unoccupied during the first night after equipment has been set up, or leaving equipment for more than 24 hours thereafter, is prohibited.
- Please be considerate of other campers. Quiet time is from 10:00 PM to 6:00 AM.
- Check out time is 2:00 PM. Camping fees must be paid within 30 minutes after your arrival. Don't forget to put your site number and your license plate number on your fee envelope.
- Campsites should not be used by more than eight persons. Each campsite contains a picnic table, a fire ring or grill, and accommodates parking for two vehicles and a wheeled camping unit and tent. Parking for additional vehicles will be charged at $5/day/vehicle and parked in public parking areas. Other recreation equipment associated with a campsite (boats, trailers, jetski, etc.) are not charged.
- Weapons, firearms, and fireworks must not be discharged in recreation areas.
- Waste material from trailers must be deposited at a dump station. Please place trash in the provided receptacles.
- Please build fires only in designated fireplaces. Dead material, on the ground, may be used for fires, but living trees, shrubs, and plants must not be cut or damaged.
- Please don't pound nails into trees, picnic tables, and other government property; they are unsightly, and may create a safety hazard. Heat from lanterns hung on trees can burn or damage trees. Pet leashes wrapped around tree trunks wear bark away and may eventually kill the tree.
- Pets must be kept on a leash, and are not allowed on beaches or in the water.
- No camping is allowed in picnic areas.
- US Army Corps of Engineers prohibits the use of snowmobiles and ATVs on the Allegheny Reservoir frozen surface.
- US Army Corps of Engineers prohibits the use of alcohol on the Allegheny Reservoir water surface.

SAFETY

- **Caution:** Be especially aware of underwater obstructions which may include stumps, logs, and rocks. In addition, selected bays at Allegheny Reservoir have shallow water fish attractors in place, which are marked with round orange buoys. Floating debris may also be at or near the lake surface as a result of fluctuating pool levels. Boaters, skiers, and swimmers should be watchful for these obstructions. Diving into any area of the lake may be hazardous, and is strongly discouraged.
- **Four Major Causes of Drowning – 1**. Irresponsible use of alcohol. **2**. Not wearing personal floatation devices. **3**. Insufficient swimming skills. **4**. Hypothermia: a cold water condition.

THESE NATIONAL FOREST RECREATION SITES WERE DEVELOPED FOR YOUR USE AND ENJOYMENT. PLEASE KEEP IT AS YOU WOULD LIKE TO FIND IT…NEAT, CLEAN, AND ATTRACTIVE.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, DC 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer.
