SIERRA CASCADE DIALOGUE

RON PUGH & FOREST PLAN

Questions

REGIONAL → FOREST?

- consistent approach
- We are trying to integrate across forest
- Discretion of Forest Supervisor

How can we make it work?

6 Forests at a time?

What about Travel Management?

- Recommendations, not final decisions
- There will be time for Travel mgmt to be completed

2004 ON THE Table!

DYNAMIC ECO SYSTEM change to FRAMEWORK?

old framework is on the table

WE HAVE RESOURCE constraints

... What if not a Forest Service Resource

2004 Sierra Nevada Framework

How would this be addressed?

- Changes can be made.
- Forest Leadership decision
- Look at Consequences on Regional issues
- Parts of Framework that work will be pulled in to plan

3 Forest Plans somewhat simultaneous -

- Forest - COORDINATION?
- Adjustments will be needed, based on SCIENCE

We need to apply BEST SCIENCE

MINI BIO "Sub-Regions"

How do we deal with this diversity

CH1 - Ecological Integrity Table

We discussed

How will you examine 'suitability'?

- Integrate desired condition
- Related to Vegetation
- Zones - compatible activities
- Model based on guidelines

How were BOUNDARIES determined county omitted

- Look at forest + counties

A more AGGRESSIVE SCHEDULE?

- We will be talking to Forest Supervisors
- We will keep the plan strategic
