Dear Interested Public,

Please find enclosed a modified version of the scoping statement sent on September 25, 2007 regarding the Proposed Diagonal Electric Sagebrush improvement on the Spanish Fork Ranger District. Due to a misunderstanding the previous version state that the project was not subject to appeal, we are correcting that statement to read that it is subject to appeal. This notice marks the beginning of an analysis to fulfill requirements of the National Environmental Policy Act.

The purpose of this letter is to invite those who are interested to provide scoping comments on this proposal. Comments will be accepted within 30 days of publication of legal notice in the Provo Daily Herald, by phone (801) 798-3571; by fax (801) 798-3050; by mail to the Spanish Fork District Ranger, 44 West 400 North, Spanish Fork, Utah 84660; or by e-mail *comments-intermtn-uinta-spanishfork@fs.fed.us*. If you wish to receive a copy of the decision memo for this project, you must respond to this scoping notice.

If you have any questions concerning this proposal, please feel free to contact Lans Stavast at (801) 342-5151.

Sincerely,

/s/ Douglas H. Jones
