B

☒ Close ☐ Limit* ☐ Open*

☒ Closed to all uses.
☒ The route would be allowed to naturally reclaim.
☐ The route would be restored (e.g. vertically mulched) at least to some extent (e.g. to the visual horizon).

*Over time, the use of this route may result in effects to some sensitive resources. In accordance with the U.S. Forest Service's Final Rule for off-highway vehicle use on Forest Service land issued in November 2005 (Title 36 of the Code of Federal Regulations Parts 212, 251, 261, and 295), agency management may need to revise the designation of this route (e.g., by utilizing adaptive management techniques, including monitoring and maintenance) in order to avoid, minimize or mitigate effects that may occur.

C
