

Chickadee Area Trail Closures

DUE TO DAMAGE FROM 2021 CEDAR CREEK FIRE
some trails and roads remain closed. Safety hazards in this high use area include risk from falling trees and tread damage due to extensive high burn areas.

Your cooperation is needed!

The Forest Service and partner crews are working to reduce hazards, and repair and open trails where feasible. Work may include:

- Hazard tree felling
- Trail tread repair and reconstruction

CLOSURE ORDER

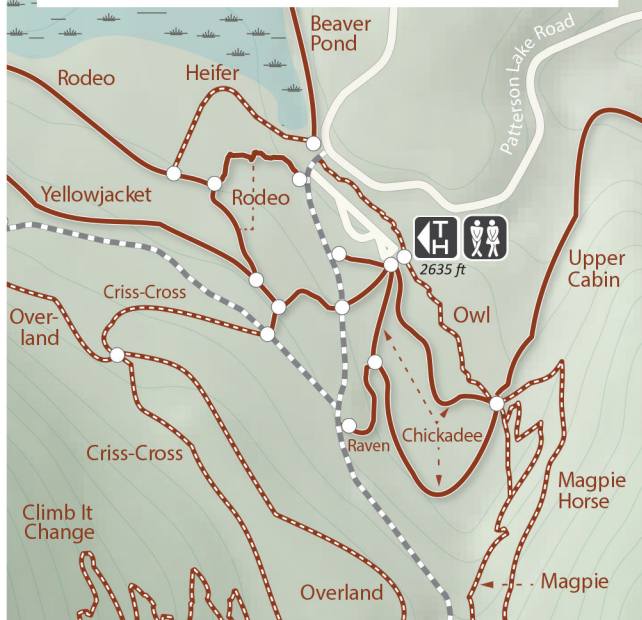

CLOSURE MAP

Please respect these closure areas to:

- **Keep yourself safe!**
- **Enable crews to work safely and efficiently**
- **Reduce further trail damage – post-fire soils are fragile and have increased risk of erosion from heavy use.**

CHICKADEE TRAILHEAD DETAIL

E-Bikes are permitted on numbered roads (USFS) in the Sun Mountain Area. This includes Aqua Loop, Blue Jay, Inside Passage, Little Wolf, Meadowlark and Thompson Ridge Road. E-bikes are not permitted on trails where motorized vehicles are prohibited, including all trails maintained by Methow Trails, USFS and WDFW.

Methow Trails operates in partnership with the USFS and over 175 private landowners who graciously allow trail access through their land. Evergreen Mountain Bike Alliance is working to protect, enhance and create high quality, sustainable mountain biking opportunities in the Methow Valley.
