- Pedio Cactus Habiata (No Cutting)
- Wilderness Area (No Cutting)
- Grand Canyon National Park (No Cutting)
- Ranger District Boundary

Additional Information

Cutting Season Dates:
November 1 - December 31, 2023

At this time, there are no restrictions on the type of tree species that can be cut.

Permit does not authorize cutting on private property, within designated Wilderness areas, active timber sales or within 300 feet of a paved road.

Possible hazards within and adjacent the boundaries of the 2020 Mangum Fire burn area include falling trees and limbs, flash flooding and debris flow.

Forest roads are generally not maintained for winter use. Roads may be closed, snow packed or inaccessible. Call the Ranger Station for the most up to date information on road conditions.

Mangum Fire Burn Area Note:
Roads and trails located within, and adjacent to the Mangum Fire burn area may be closed without warning to protect public health and safety. For the most up to date information on closures, call the Ranger Station (928) 643-7395 or visit: www.fs.usda.gov/alerts/kaibab/alerts-notice

Unless closed by snow earlier in the season, Highway 67 south of Jacob Lake is typically closed for the winter season around December 1st. Check www.az511.gov for current conditions.
