

"The Forest Service uses the most current and complete data available. They may be: developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being created or revised, etc. Using GIS products for purposes other than those for which they were created may yield inaccurate or misleading results. The Forest Service reserves the right to correct, update, modify, or replace GIS products without notification. The Forest Service will not be liable for any activity involving this information. Providers of other data should be consulted regarding the accuracy and scale of their data." For more information contact: GIS Coordinator; Huron-Manistee NFs: 1755 S. Mitchell Street; Cadillac, MI 49601. (231)775-2421
