Please keep your camp clean and free of all attractants. This means all food and beverages, items with food odors (including garbage), toiletries and cosmetics, pet food and stock feed, and coolers.

Proper food storage is mandatory. This means that all food/attractants must be stored in a hard-sided vehicle, in the campground bear boxes, in a certified bear-resistant container, hung from a tree (see diagram), or protected by a product on the Interagency Grizzly Bear Committee's certified product list.

The **minimum fine** for leaving food or other attractants unattended is **\$225**. The **maximum fine** is **\$5,000** or **six months in jail**.
