Rationale

For the purposes of this order: On the South and west sides of the Tripoli Road, (FR 30), where parking is permitted vehicles must be parked so that two full sized vehicles traveling in opposite directions may pass freely.

This order was developed due to traffic congestion and public safety concerns on the Tripoli Road and the Osceola borrow pit sections. High visitor use and narrow roads in these areas make user vehicle and foot travel extremely hazardous. Emergency vehicles must also be able to access all areas in a timely and safe manner.
