<http://www.fs.usda.gov/main/uwcnf/maps-pubs>, MVUMs are there for all the Districts, under Miscellaneous Maps is where you can District Trail Map

Safety:

- Please do not block gates or roadways, emergency vehicles must always have safe access to respond to an emergency.
- If your trailhead or parking lot is full, always have a backup plan and visit an alternate location for the day. Do not park in a no-parking zone, roadway or lane of travel, even in the back country/ dirt roads.
- No Fireworks Allowed on National Forest System Lands.

Safety is everyone's responsibility. Please do your part.

Garbage:

- Take garbage out of the canyon. Sites, other than campgrounds do not have large dumpsters due to the them attracting animals into public spaces, smell and taking up valuable parking. Be a good Land Steward and help keep the forest clean.
