

TRAILS
MAZATZAL WILDERNESS

There is a network of some 240 miles of “system” trails serving the Mazatzal Wilderness Area and contiguous areas. Their condition varies from satisfactory to very poor. All trails are closed to motor vehicles and mechanical transport such as bikes.

Use a great deal of caution when traveling on backcountry trails such as this one and be aware of the risks you assume.

A few brief comments are in order about the following trail:

Deadman Mesa Trail 17: 4.1 miles long. Parts are rocky and very steep. Portions of trail in Fossil Creek may be washed out. Not recommended for horses. Termini: **Deadman Mesa TH** (Forest Road 591), and Verde River Trail 11.

No more than 15 people are allowed to be in a group. No more than 15 head of livestock are allowed in a group.
