

TRAILS  
MAZATZAL WILDERNESS

There is a network of some 240 miles of “system” trails serving the Mazatzal Wilderness Area and contiguous areas. Their condition varies from satisfactory to very poor. All trails are closed to motor vehicles and mechanical transport such as bikes.

Use a great deal of caution when traveling on backcountry trails such as this one and be aware of the risks you assume.

A few brief comments are in order about the following trail:

**Sears Trail 90**: 7.5 miles in length. West end may be difficult to locate. Elevation: 2,000 - 4,120 feet. Termini: **Sears TH** (Forest Road 477), and Trail 88. Forest Road 477 requires fording the Verde River.

No more than 15 people are allowed to be in a group. No more than 15 head of livestock are allowed in a group.
