

TRAILS  
MAZATZAL WILDERNESS

There is a network of some 240 miles of “system” trails serving the Mazatzal Wilderness Area and contiguous areas. Their condition varies from satisfactory to very poor. All trails are closed to motor vehicles and mechanical transport such as bikes.

Use a great deal of caution when traveling on backcountry trails such as this one and be aware of the risks you assume.

A few brief comments are in order about the following trail:

**Willow Trail 223:** 16.2 miles in length. A major east-west route, that begins on east side of the Sheep Bridge (Bridge Not Recommended For Horses). Scenic vistas. Some steep grades. Elevation: 2,080 - 6,160 feet. Termini: **Sheep Bridge TH** and Trail 23.

No more than 15 people are allowed to be in a group. No more than 15 head of livestock are allowed in a group.
