Cowpasture Trail Closed During Bridge Replacement

The Cowpasture Trail near the Cranberry Glades is undergoing some bridge replacements and the trail will be closed for approximately two months. The two bridges over the South Fork of the Cranberry River will be removed and replaced. There will be no temporary crossings during the construction period.

The closure will be in effect from now through the end of October. Advise hikers to check the website or the District office for verification on reopening dates since the completion time is uncertain right now.
