Family Fun at Kids Free Fishing Day

Kids can learn to fish and try their luck on the shore of Wildcat Pond, located at Wildcat Ski Area on Route 16 in Gorham, NH, on Saturday, June 5th during the White Mountain National Forest's 13th Annual Kids Free Fishing Day. Kids aged 15 and under are invited to bring an adult and their gear for a day of fishing and learning. Jay Milot, U.S. Forest Service Fisheries Biologist, encourages everyone to "come on out and enjoy the great outdoors, learn about fish and the environment, and get in some free fishing for the day. We're looking forward to having a lot of fun, and we'd like to see the whole family turn out to help us celebrate National Fishing Week."

Learning stations, kids' activities, prizes, and a casting contest will add to the day's festivities.

Registration begins at 9:00, with the activities ending at noon. There is no charge for any of the activities, and families are welcome to stay and fish in the afternoon.

Kids Free Fishing day is sponsored by the White Mountain National Forest in partnership with NH Fish and Game, Wildcat Mountain Ski Area, Wal Mart, and the Appalachian Mountain Club.

For more information call the U.S. Forest Service at (603) 466-2713 ext. 232, TTY 466-2856.
