

USDA Forest Service
Washington Grants Awarded by State and Private Forestry
Pacific Northwest Region, Cooperative Programs
1994-2004

County: King

Federal Identifier: WAEC-03-018
Grant Name: Rural Technology Initiative

Project Start Date: 04/01/2003
Project End Date: 11/30/2004

Applicant: University of Washington
Contact: Carol Zuiches, 206-543-4043

FS Award: \$584,080
Leveraged Funds: \$148,259
Total Project Funding: \$732,339

Description:

Funding for this project will be used to develop useful tools for forest management and engineering technology to the rural forest sector. New technology and information will help rural timber dependent communities maintain forest management jobs and support local economies.

Olympic

Federal Identifier: WAEC-96-006
Grant Name: Old Cascade Highway Drainage

Project Start Date: 08/01/1996
Project End Date: 01/31/1998

Applicant: Town of Skykomish
Contact: Ted Cleveland, 360-677-2591

FS Award: \$24,472
Leveraged Funds: \$6,760
Total Project Funding: \$31,232

Description:

This grant will help pay for a comprehensive engineering study for the south side of town of Skykomish, an area prone to flooding. This engineering study will help the town make the necessary drainage improvements to prevent future flooding in the community

Mt. Baker-

Federal Identifier: WANW-01-013
Grant Name: Rural Technology Transfer

Project Start Date: 04/01/2001
Project End Date: 12/31/2002

Applicant: University of Washington
Contact: Bruce Lippke, 206-616-3218

FS Award: \$880,020
Leveraged Funds: \$220,629
Total Project Funding: \$1,100,649

Description:

Develop useful tools and provide technology transfer of better technology to timber dependent areas for managing forests for product and environmental values. New technology will help rural timber dependent communities maintain and/or expand jobs that support local economies.

Olympic

Federal Identifier: WANW-02-044
Grant Name: Rural Technology Transfer

Project Start Date: 08/15/2002
Project End Date: 12/30/2003

Applicant: University of Washington
Contact: Carol Zuiches, 206-543-4043

FS Award: \$882,000
Leveraged Funds: \$220,818
Total Project Funding: \$1,102,818

Description:

Funding for this project will be used to develop useful tools for forest management and engineering technology to the rural forest sector. New technology and information will help rural timber dependent communities maintain forest management

Olympic

**USDA Forest Service
Washington Grants Awarded by State and Private Forestry
Pacific Northwest Region, Cooperative Programs
1994-2004**

County: King

Federal Identifier: WANW-02-045

Grant Name: Landscape Mgmt System Dev & Demo

Applicant: University of Washington

Contact: Carol Zuiches, 206-543-4043

Project Start Date: 10/01/2002

Project End Date: 12/31/2004

FS Award: \$489,020

Leveraged Funds: \$125,075

Total Project Funding: \$614,095

Description:

Funding for this project will be used to expand the capability of the Landscape Management System. The Landscape Management System provides managers with a tool to improve forest management and improve economic and social benefits to communities at the watershed or regional level.

Olympic

Federal Identifier: WANW-96-025a

Grant Name: PNWER (\$70,000 from SPNW)

Applicant: Pacific NorthWest Economic Region Foundation

Contact: Roger Bull, 206-464-7298

Project Start Date: 09/01/1996

Project End Date: 03/31/1998

FS Award: \$70,000

Leveraged Funds: \$225,345

Total Project Funding: \$295,345

Description:

Funding is for the development of a sustainable sellers database system (CATALIST) of Northwest forest products related companies to help create leads with domestic and international buyers. The operation of the CATALIST system should help create and retain jobs by increasing the competitiveness of secondary wood manufacturers.

Olympic

Federal Identifier: WANW-96-025b

Grant Name: PNWER (\$70,000 from OEDD)

Applicant: Pacific NorthWest Economic Region Foundation

Contact: Roger Bull, 206-464-7298

Project Start Date: 09/01/1996

Project End Date: 12/31/1998

FS Award: \$70,000

Leveraged Funds: \$0

Total Project Funding: \$70,000

Description:

This \$70,000 was provided by the Oregon Economic Development Department as part of its Old Growth Diversification program. This grant will assist in developing a database of Northwest building materials, service companies, secondary manufacturers, and domestic and international buyers. It will also assist in developing domestic and international leads and a self-sustaining trade leads system. The system will track job creation, retention, and contracts awarded due to the catalyst system. PNWER will develop a final report and plan for catalyst sustainability. Increasing the competitiveness of secondary manufacturers will create additional jobs and improve local economies. It will also foster co-bidding and networking among smaller companies who have indicated a willingness to partner on projects larger than their own current capacity will support.

Olympic

Federal Identifier: WNFP-01-011
Grant Name: Demonstration of Small Diameter Round Timber

Project Start Date: 08/27/2001
Project End Date: 12/31/2002

Applicant: Pomegranate Center
Contact: Milenko Matanoule, 425-557-6412

FS Award: \$35,000
Leveraged Funds: \$54,431
Total Project Funding: \$89,431

Description:

Funding is for designing, assembling, and installing round wood structures using environmentally sound materials; developing round wood specific construction methods; and using artistic elements based on the community's diverse, cultural character. Community members will be involved in all phases of the project. These techniques will be documented and broadcast to interested groups. We hope this effort revitalizes the existing outdoor spaces for the low income, high density affordable public housing unit and stimulates social and cultural interaction among the multi-generational, multi-ethnic residents, and the lessons learned can be applied to other communities with similar conditions.

Snoqualmie

Federal Identifier: WNFP-03-006
Grant Name: Demo Small Diameter Roundwood Construction

Project Start Date: 09/01/2003
Project End Date: 12/31/2004

Applicant: Pomegranate Center
Contact: Milenko Matanovic, 425-557-6412

FS Award: \$35,000
Leveraged Funds: \$25,800
Total Project Funding: \$60,800

Description:

Funding for this project will be used to demonstrate the user of small-diameter round timber in the construction of outdoor amenities such as a school bus shelter, picnic tables, benches, gateways, entryway signs, and light fixtures. Community residents will be involved in the design of construction phases, which will teach them marketable skills. The project will also create a central meeting/gathering place for the resident community that improves quality of life and represents the purpose of the project.
