**Federal Identifier:** WAEC-00-001  
**Grant Name:** Greater Ephrata Area Community Action Plan  
**Applicant:** Grant County Economic Development Corp.  
**Contact:** Terry Brewer, 509-754-0978

**Project Start Date:** 04/26/2000  
**Project End Date:** 04/26/2002  
**FS Award:** \$24,000  
**Leveraged Funds:** \$14,779  
**Total Project Funding:** \$38,779

**Description:**

Funding for this project will help Ephrata, Soal Lake, and the unincorporated area of Lakeview Park to do economic assessments and planning to develop strategies that focus efforts and resources where needed; to develop appropriate objectives and action plans; and to incorporate the common objectives from each separate area into an area-wide strategy for the County. The communities of Ephrata, Soap Lake, and Lakeview Park will discover their own economic priorities and develop action plans to achieve them. They will also begin to think as part of the larger regional picture for economic development and work together to accomplish common objectives.

**Federal Identifier:** WAEC-98-005  
**Grant Name:** Port Well Connection Feas Study  
**Applicant:** Town of Mattawa  
**Contact:** Judy Esser, 509-932-4037

**Project Start Date:** 09/18/1998  
**Project End Date:** 03/31/1999  
**FS Award:** \$2,400  
**Leveraged Funds:** \$700  
**Total Project Funding:** \$3,100

**Description:**

This grant will assist the Town in Mattawa in assessing the feasibility of developing and utilizing the Port of Mattawa well for the Town of Mattawa's water needs. Issues to be addressed include: contamination potential, cost of crossing the main highway, obtaining the water rights, cost of tying the Port's well to the existing water system, and the cost of treating the water. If determined to be feasible, the community will be able to increase water capacity by simply connecting to the Port's existing well and storage system.
