<b>Sunshine Guard Station</b>	\$3,500	\$7,200	\$7,200	\$25,000	\$0.00	\$60.00			Congressional reps informed; have not received any comments from constituents. Received a phone call from a landowner's representative in this area to inform me of noxious weeds at the entrance to this site and concern that additional vehicles may further spread the weed. Discussed this with District weed coordinator and a plan to deal with this will be developed. Received verbal support for this addition to the rental system from a private cabin rental provider in the immediate area. She said that this fee is in line with their rates and she supports this building being used rather than having it sit empty as a "vandalism magnet."
