**County: Douglas**

---

**Federal Identifier:** WAEC-04-008  
**Grant Name:** Coordinated Capital Facilities Plan

**Project Start Date:** 07/01/2004  
**Project End Date:** 07/01/2005

**Applicant:** City of Rock Island  
**Contact:** Angela Larson, 509-884-1261

**FS Award:** \$24,000  
**Leveraged Funds:** \$70,000  
**Total Project Funding:** \$94,000

**Description:**

This grant will assist the City of Rock Island and Douglas County in the development of a coordinated capital facilities plan for infrastructure improvements for the Rock Island area. The planning effort will develop a coordinated set of planning documents that evaluate water, sewer, street, and drainage system needs. A final document will compile and prioritize water, sewer, road and drainage system needs into a single coordinated plan. The goal is to facilitate efficient scheduling and procurement of funding, provide orderly planning and implementation of capital improvements, and to allow for and support orderly economic development for the community. The comprehensive plan also identifies a large supply of land that is appropriate for both active and passive recreational activities.

**Federal Identifier:** WAEC-99-001  
**Grant Name:** Economic Development Plan

**Project Start Date:** 03/15/1999  
**Project End Date:** 12/31/2002

**Applicant:** Douglas County  
**Contact:** Larry Nelson, 509-745-8480

**FS Award:** \$10,706  
**Leveraged Funds:** \$9,000  
**Total Project Funding:** \$19,706

**Description:**

Funding will assist the Waterville EDC in developing the first economic development plan for this area. This planning effort will involve the local community in the development and support of the plan. It will also provide mechanisms for promoting the existing airport facility and attracting new aviation interests, improving facilities at the fairgrounds that will enhance social and commercial opportunities, and attracting new business to town. This economic development plan will identify ways to stimulate existing business, create new business, and provide new employment opportunities for the revitalization of the Waterville community, along with bringing non-traditional interests into the planning process.
