

USDA Forest Service
Washington Grants Awarded by State and Private Forestry
Pacific Northwest Region, Cooperative Programs
1994-2004

County: Stevens

Federal Identifier: WAEC-03-003
Grant Name: Springdale Community Action Plan

Project Start Date: 07/01/2003
Project End Date: 12/31/2004

Applicant: Tri-County Economic Development District
Contact: Jeni Forman, 509-684-4571

FS Award: \$12,500
Leveraged Funds: \$11,280
Total Project Funding: \$23,780

Description:

Develop a Community Action Plan and a subsequent Downtown Revitalization Plan that will build the rich architecture, personal services, traditional values, entrepreneurship, and civic cooperation to promote, preserve, design, and restructure the local economy. The proposed Action Plan (Phase 1) and Revitalization effort (Phase 2) can have a dramatic impact

Colville

Federal Identifier: WAEC-94-001a
Grant Name: Downtown Revitalization

Project Start Date: 05/03/1994
Project End Date: 09/01/1996

Applicant: City of Colville
Contact: Sandra Madson, 509-684-5096

FS Award: \$20,000
Leveraged Funds: \$35,714
Total Project Funding: \$55,714

Description:

The City would utilize the grant to begin implementation of Colville's Business District Design Plan. It would provide assistance for building facade restoration to qualifying Main Street businesses. This would help revitalize the downtown business district in order to help diversify the economy.

Colville

Federal Identifier: WAEC-94-001b
Grant Name: Downtown Revitalization

Project Start Date: 05/03/1994
Project End Date: 09/01/1996

Applicant: City of Colville
Contact: Sandra Madson, 509-684-5096

FS Award: \$7,200
Leveraged Funds: \$1,100
Total Project Funding: \$8,300

Description:

(See WAEC-94-001a for original project) Additional funds were added to this grant in order complete the project. The funds were derived from savings from the Colville National Forest rural community assistance budget.

Colville

Federal Identifier: WAEC-94-002
Grant Name: Industrial Tech Training Cent.

Project Start Date: 05/03/1994
Project End Date: 05/03/1995

Applicant: City of Colville
Contact: Harlan Elsasser, 509-684-1489

FS Award: \$250,000
Leveraged Funds: \$731,703
Total Project Funding: \$981,703

Description:

This grant would assist with the development of curriculum, aquisition of equipment, software and other program support materials. This would help create more re-training opportunities for the county in order to develop capacity for diversifying the workforce skill mix.

**USDA Forest Service
Washington Grants Awarded by State and Private Forestry
Pacific Northwest Region, Cooperative Programs
1994-2004**

County: Stevens

Federal Identifier: WANW-00-024
Grant Name: Business Retention & Expansion in Northeast WA
Applicant: Tri-County Economic Development District
Contact: Martin Wold, 509-684-4571

Project Start Date: 08/15/2000
Project End Date: 12/31/2002
FS Award: \$80,000
Leveraged Funds: \$56,038
Total Project Funding: \$136,038

Description:

This grant will assist people in the counties of Ferry, Stevens, Pend-Oreille, and Okanogan in learning how to attract businesses that are expanding and how to retain existing businesses in their area. This grant will assist both economic development professionals and business leaders in the community with knowledge and techniques used to attract

Regional Office

Federal Identifier: WANW-01-015
Grant Name: City of Colville Wastewater Treatment Plan Design
Applicant: City of Colville
Contact: Mark Freiberger, 509-684-5095

Project Start Date: 08/15/2001
Project End Date: 12/31/2002
FS Award: \$50,000
Leveraged Funds: \$975,000
Total Project Funding: \$1,025,000

Description:

Completion of design of the wastewater treatment plant replacement so the project can resume moving ahead to implementation within the defined timeframes outlined in the City of Colville Wastewater Facilities Plan. Growth restrictions imposed on the City will be lifted and City will therefore be in a position to allow businesses to locate in Colville

Colville

Federal Identifier: WANW-02-019
Grant Name: Flowery Trail Design & Engineering
Applicant: City of Chewelah
Contact: Jon Lind, 509-935-8311

Project Start Date: 07/01/2002
Project End Date: 12/31/2004
FS Award: \$50,000
Leveraged Funds: \$245,800
Total Project Funding: \$295,800

Description:

This project will provide a completed design and engineering to improve the .7 mile segment of city roadway between the terminus of the flowery Trail Road improvements and State Route 395. The design will provide for establishing this segment as an all-weather road, thereby eliminating the need to post load restrictions each March and April, giving year-

Colville

Federal Identifier: WANW-02-032
Grant Name: Marcus/Kettle Falls Revitalization Plans
Applicant: Town of Marcus
Contact: Terecia Bolt, 509-684-3771

Project Start Date: 10/01/2002
Project End Date: 12/31/2004
FS Award: \$29,801
Leveraged Funds: \$29,750
Total Project Funding: \$59,551

Description:

The cities of Marcus and Kettle Falls will develop separate Community Revitalization Plans in conjunction with updating their Comprehensive Management Plans. The cities will then develop a coordinated action plan for the common areas of both Community Revitalization plans. The plans will address a diversifying economy to become less reliant on timber and natural resource extraction, improve goods and services, create additional living-wage employment opportunities, increasing local revenues, and developing infrastructure by increasing a reliable tax base and fee structure.

**USDA Forest Service
Washington Grants Awarded by State and Private Forestry
Pacific Northwest Region, Cooperative Programs
1994-2004**

County: Stevens

Federal Identifier: WANW-95-022
Grant Name: Comprehensive Planning/GMA

Project Start Date: 09/13/1995
Project End Date: 08/31/1998

Applicant: City of Colville
Contact: Duane Scott, 509-684-5095

FS Award: \$50,000
Leveraged Funds: \$12,000
Total Project Funding: \$62,000

Description:

This grant will allow the communities of Colville, Chewelah, Kettle Falls, Marcus, Northport, and Springdale to complete their comprehensive plans. The completion of the plans would allow these communities to develop strategies for both community and economic development.

Colville

Federal Identifier: WANW-95-029
Grant Name: Kettle Falls Cap Facilities PI

Project Start Date: 09/07/1995
Project End Date: 10/31/1996

Applicant: City of Kettle Falls
Contact: Eric Weatherman, 509-738-6821

FS Award: \$11,487
Leveraged Funds: \$5,000
Total Project Funding: \$16,487

Description:

This grant of \$20,000 will help the City of Kettle Falls produce a Capital Facilities Plan for all systems that the City operates. The City will soon need to invest in improvements to its systems. This plan will allow the community to prepare for the logical prioritization of investments.

Colville

Federal Identifier: WANW-96-014
Grant Name: Colville Industrial Park

Project Start Date: 05/01/1996
Project End Date: 11/30/2000

Applicant: City of Colville
Contact: Duane Scott, 509-684-1489

FS Award: \$240,000
Leveraged Funds: \$335,298
Total Project Funding: \$575,298

Description:

This grant of \$240,000 will help construct a railroad crossing with signals to access the Colville Industrial Center and will widen Highway 395 to facilitate this. Development of the Colville Industrial Center will retain 100-150 jobs (Aladdin Steel Products) and allow Haney Lumber to expand, creating additional family wage jobs for the community.

Colville

Federal Identifier: WANW-99-015
Grant Name: Rural Info Technology Center

Project Start Date: 07/01/1999
Project End Date: 12/31/2000

Applicant: City of Colville
Contact: Dick Nichols, 509-684-5091

FS Award: \$49,991
Leveraged Funds: \$141,600
Total Project Funding: \$191,591

Description:

Funding for this project will help to create an information technology center in Colville, Washington. The center will provide telecommuting capabilities and call centers in this area, as the next step to the training provided by the Community College. This project will provide students with employment in the immediate area, enhancing the local economy.
