QUALIFIED PRODUCTS LIST
FOR PRODUCTS QUALIFIED UNDER USDA FOREST SERVICE

SPECIFICATION 2400-401

PAINT, TREE-MARKING WITH TRACER

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not connote endorsement of the product by the Federal Government. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. This listing of a product does not release the supplier from compliance with the specification requirements. Use of this list or any portion thereof in such a manner as to state or imply that any product listed herein is endorsed or preferred by the Federal Government or is considered by the Federal Government to be superior to other products is hereby prohibited.

The activity responsible for this Qualified Products List is the United States Department of Agriculture, Forest Service, San Dimas Technology and Development Center, Tree-Marking Paint Project Leader, 444 East Bonita Avenue, San Dimas, California 91773-3198.
