

**Business Stuff**

Borys started organizing this FHM conference in Spring '06, and put together a great team to plan the meeting.

And the Working Group team  
leaned into their various  
tasks and assignments.

We Leaned even further into our work especially after we received much needed direction from the FHM - MANAGEMENT TEAM in September.

And the inevitable . . .

We're Here . . .

We Hope it all goes well . . .  
and We don't end up snorting Sod.

Although some of us are already "dead" tired.
