## **News Release**

**--FOR IMMEDIATE RELEASE--**

**March 03, 2009**

### **Spring Road Closures in Place on Public Lands**

MONTE VISTA - The Rio Grande National Forest and SLV Bureau of Land Management has once again closed several roads to motorized traffic to protect road surfaces during the spring season. Driving on soft roadbeds can cause unnecessary damage to the road and may lead to increased sedimentation in creeks. The roads will be re-opened on an individual basis as road conditions improve.

For more information on current road conditions, please check with the Ranger Districts/Field Offices.
