Upper Rio Grande Trail Closures To Begin

DEL NORTE – The Divide Ranger District will temporarily close two trails in the upper Rio Grande area above Creede for major reconstruction work.

Lost Trail Creek Trail # 821 and Fern Creek Trail # 815 will be reconstructed by Arrowhead Trails, a private contractor. Work is planned to begin August 10th on Lost Trail and then move to Fern Creek. It is expected to take approximately two weeks to reconstruct each trail with excavation machinery. The closures are for public safety.

Lisa McClure, Trails Supervisor, expressed regret that the project will occur during the beginning of archery hunting season, but conditions were ideal to complete the contract at this time. For more information, contact the Divide Ranger District at 719-658-2556 or 719-657-3321.
