## Introduction to Fire in California

The Mono Basin National Forest Scenic Area Visitor Center and The Eastern Sierra Interpretive Association announce a presentation by author David Carle to be held at the visitor center auditorium in Lee Vining, CA on Saturday, August 8<sup>th</sup> at 7:00 pm.

David Carle, author of *Introduction to Air in California*, and *Introduction to Water in California* is an educator, local writer, and retired State Park Ranger. David now turns to another fundamental element of the natural world, "WIIIDLAND FIRE", giving a fascinating and concise view of this complex topic.

David will present a program based on his latest book *Introduction to Fire in California*.

A complete schedule of the summer lecture series is available and can be obtained at any Inyo National Forest Visitor Center or from the Inyo National Forest web site. The lectures are free and open to the public. For further information please contact Jon Kazmierski at (760) 647-3010.
