Supplies Math

Code: EL1: MA

Introduction: The following list is a breakdown of the cost of certain supplies the soldiers had.

Beef	\$ 0.20 per lb.	Soap	\$ 0.11 per lb.
Coffee	\$ 0.08 per lb.	Candles	\$ 0.11 per lb.
Bacon	\$ 0.05 per lb.	Lard	\$ 0.05 per lb.
Flour	\$ 0.02 per lb.	Tent	\$ 5.00 each
Salt	\$ 0.06 per lb.	Sugar	\$ 0.04 per lb.

Directions: Have the students find the differences and compare these prices with those of today. How much more are they expensive now?

Bonus Question: What was lard used for?
