

Rogue-Umpqua RAC Title II Recommended Projects FY-2011 - Rogue River-Siskiyou National Forest - DOUGLAS COUNTY

Project ID FFD###	Project Name/Location	Ranger District	Project Description	RAC Project Type	No. of Units	Units (MI-AC- STR- EA)	Requested Title II Funding this FY-	APPROVED TOTAL funding (with 12.5% overhead)	APPROVED FUNDING-\$ TO PROJECT
101111	Douglas County Noxious Weed Control	High Cascades	Treat noxious weed infestations with chemical, manual, or biological control methods. Conduct field validation and update information about known sites. Inventory selected roadsides for spotted knapweed and other noxious weeds.	Control of Noxious Weeds	95	AC	\$8,100	\$8,100	\$7,200
101122	Douglas County Trail Maintenance	High Cascades	Deferred trail maintenance to both wilderness (Rogue-Umpqua Divide) and non-wilderness trails (primarily Upper Rogue River National Recreation Trail). Work will include improving and defining trail tread, mitigating damage in muddy areas, providing adequate erosion devices, improving stream approaches, removing brush and improving signage. This project continues deferred maintenance work started in FY2004-2010. Overall, the project would improve trail conditions over 10 miles.	Trail Maintenance	10	MI	\$37,125	\$25,000	\$22,222
101112	Douglas County Roadside Brushing, Culvert Cleaning, Slough and Slide Removal, Grading, and Danger Tree Felling	High Cascades	Perform road maintenance which includes roadway brushing, culvert cleaning, ditch maintenance, slide removal, blading, felling of danger trees and logging out on Forest Service roads, which will ensure our Forest road system is open for safe use and providing critical resource protection when drainage structures are in a functional condition.	Road Maintenance	40 50	MI STR	\$56,250	\$47,900	\$42,578
TOTAL COUNTY FUNDING AVAILABLE								\$81,000	
RECOMMENDED APPROVED FUNDING (AS OF 7-13-2010)								\$81,000
