

**APPLICATION
for
SPECIAL FOREST PRODUCTS
on the
UMPQUA NATIONAL FOREST**

COMPLETE THE ATTACHED AND RETURN IT TO ONE OF THE OFFICES LISTED BELOW. As soon as possible an on the ground inspection will be done by the SFP Coordinator for that district. If there are no problems or conflicts, you will be notified and a permit issued.

Remember that your description of the material and its location is very important. If the location cannot be found, there will be a delay the issuance of a permit. If you have flagging or some other means of marking the area, it will help in locating the material.

Please keep in mind that you are not the only individual doing business with us and there may be times when we cannot respond as quickly as you might like. Every effort will be made to assist you in getting your product out of the woods as efficiently as possible.
