

# WISHON CAMPGROUND

WESTERN DIVIDE RANGER DISTRICT

GIANT SEQUOIA NATIONAL MONUMENT

SEQUOIA NATIONAL FOREST

Campgrounds on the Western Divide Ranger District are under concessionaire agreement with California Land Management (CLM). Reservations are to be made through Recreation.gov (1-877-444-6777), or on the Internet as follows: [www.recreation.gov](http://www.recreation.gov) Instructions for payment of fees will be provided by Recreation.gov or available at the campground entrance. Visitors will be able to reserve a type of site (i.e., tent, RV, etc.). Unreserved sites are available on a "first-come first-served basis". Length of stay is limited to 14 days.

## LOCATION:

Open year around, Wishon Campground is located 12 miles east of Springville via State Highway 190 and Camp Wishon Road (M208) (along the North Fork of the Middle Fork of the Tule River). Elevation is 4,000 feet.

## INFORMATION:

The campground has 31 single family units and 4 double family units. Some units can accommodate recreational vehicles up to maximum length of 24 feet. Vault toilets, potable water, tables, and BBQ stoves are provided. There are five bear boxes at five separate sites.

The Doyle Springs Trail leading to Mt. Home State Forest is accessible from the campground; also, there is a self-guided nature trail at the site. Fishing is available year around on the Tule River Drainage. Consult the CA Department of Fish & Game for specific regulations. Supplies are available at Springville. Fee is \$18.00 per night for single units and \$36.00 per night for double units. Persons wishing to use the facilities for day use only will be charged \$10.00.

***WARNING - Entering the river is dangerous; watch out for swift water, treacherous currents, and slippery rocks.***

## FAMILY CAMPGROUND COURTESY:

Respect the rights and privacy of other campers. Place trash in receptacles or pack it out with you. Treat signs, tables, and facilities as if there were your own. Keep noise to a minimum. Leave your campsite the way you would like to find it.

**PETS:** Pets are welcome. In developed recreational areas pets must be under your control and on a leash no longer than 6 feet. Please be courteous and dispose properly of your pet's waste.

**FIREARMS:** Firearms are not to be discharged within 150 yards of campgrounds, roads, trails, buildings or any body of water. Discharging of a firearm or any other implement capable of taking human life, causing injury, or damaging property is prohibited.

**OHV's AND MOUNTAIN BIKES:** Off-Highway Vehicles (OHV's) that are licensed or registered under the

Green Sticker program are allowed on dirt roads signed for their use with a brown and white Forest Service Road Sign. These roads also appear on the Sequoia National Forest Map. All trails outside wilderness areas are open for bicycles unless signed closed.

**FIRE PREVENTION:** During the summer, fire danger on the Sequoia National Forest is HIGH or VERY HIGH. Obtain a campfire permit for any campfire outside of a designated campground. Bring a shovel and never leave any fire unattended, even for a minute. Clear a 5 foot area for your campfire. Make sure your fire is DEAD OUT before you leave. For your personal safety and conservation of resources, please help by using the ashtray in your car for cigarettes and pipes. Smoke only in cleared areas and make sure your ashes and cigarettes are dead out; never smoke while walking or riding in the Forest. Forest Service approved spark arresters are required on anything motorized.

**DRINKING WATER:** Piped water at campgrounds is safe to drink and checked regularly. Visitors should not drink spring or stream water without proper treatment. To be safe, boil or filter all water from rivers and streams before drinking.

**FIREWOOD:** Campers may collect dead and down firewood for campfire use. Gathering wood for removal for home use requires a permit (for a fee). Contact the District Office for more information.

**DRIVING SAFETY:** Be alert and keep to the right when driving steep and narrow mountain roads. Use lower gears and don't ride your brakes.

**BEARS AND OTHER WILD THINGS:** Black bears and other scavengers such as raccoons, squirrels, and jays live in Sequoia National Forest and they are naturally attracted to food and other scented items such as sunscreen and citronella candles. Please protect your food and your personal safety by storing coolers and all other food and scented items inside the provided bear box or inside your vehicle whenever you are not using them. Keep a clean campsite and never feed wild animals!
