1:300,000

The Cibola National Forest uses the most current data available. Updates are performed as new information becomes available. No warranties are made regarding the accuracy of these data.

The map was produced on June 16, 2006.

Well locations and status were compiled from a variety of sources including the Bureau of Land Management, US Forest Service, US Geological Society, and the Texas Railroad Commission. Time period of content ranges from 1998 to 2006.
