National Forests Honor Veterans Day with a “Free Day” *Adventure Pass will not be required on National Forests in Southern California on Tuesday, November 11*

SAN BERNARDINO, Calif., November 3, 2008 — In honor of America’s Veterans and Armed Services personnel, Tuesday, November 11, will be a “Fee Free Day” on the national forests in Southern California. The National Forest Adventure Pass will not be required for visitors recreating in the San Bernardino, Angeles, Cleveland and Los Padres National Forests.

“The Fee Free Day is an opportunity to get outdoors and appreciate the open spaces and national treasures of our public lands here in Southern California, while also honoring our country’s veterans,” said San Bernardino National Forest Recreation Officer Fran Colwell.

The Veterans Day Free Day is observed each year on November 11, regardless of the day of the week. In addition to Veterans Day, the Southern California national forests also waive fees on National Trails Day in June and National Public Lands Day in September.

Visitors who inadvertently use a Daily Adventure Pass on a free day may have it replaced free-of-charge at any Forest Service office in southern California. Though the Adventure Pass fee is waived, other fees still apply, such as those in campgrounds, reservation and group sites. Exceptions will be posted onsite.

For additional information about free days and the Recreation Fee program on Southern California national forests, check the Adventure Pass website at:
