

2008/09 Grants and Cooperative Agreements Program Public Comments

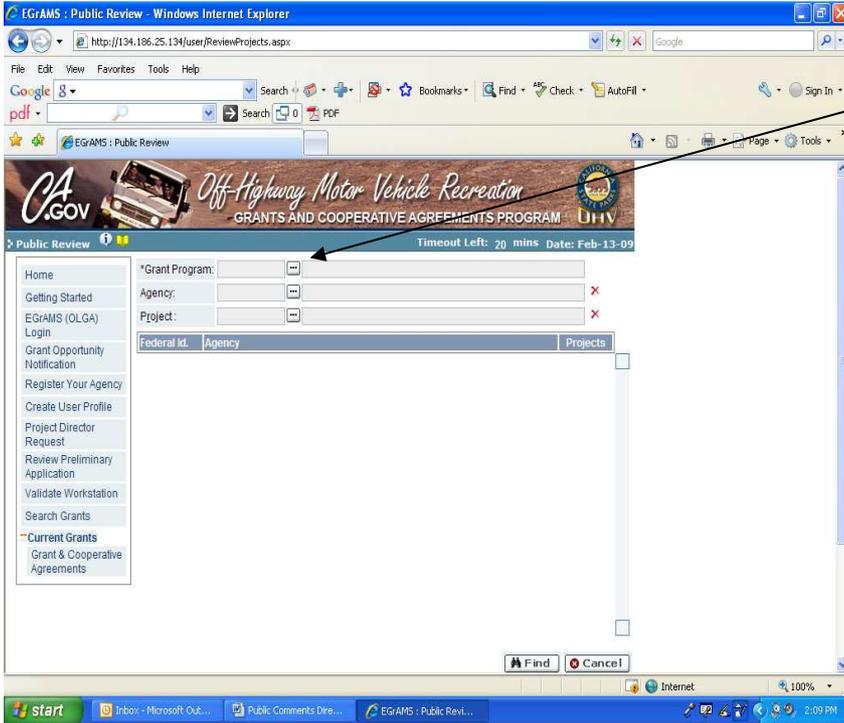

The Grants and Cooperative Agreement Program allows for a 30-day public review and comment period. This period provides an opportunity for the public to review the preliminary applications submitted to the Off-Highway Motor Vehicle Recreation (OHMVR) Division for consideration during the current grant cycle. The public may provide comment to both the applicant and the OHMVR Division by emailing the contact person listed on the preliminary application and carbon copying (Cc) the OHMVR Division at OHVinfo@parks.ca.gov. The public comment period begins March 3, 2009, and ends April 6, 2009.
