

November 18, 2009 RAC Meeting

In Attendance:

Committee Members: Charles Peck, Barbara Ferguson, Shane Krogen, Chris Oberti, Bea Olsen, and Alan Clyde.

Forest Service Employees: Ray Porter, Robbin Ekman and Carol Hallacy

Public Attendees – Tracy Rowland, Dudley Robertson and Stephanie Cobb

Meeting Topics:

Introduction of all RAC members present and accounted for.

Review of Old Projects:

- Chris Oberti presented the accomplishment report for movement of the Kaiser Diggings Cabin to the Billy Creek Museum.

New Project Proposals:

- Carol Hallacy submitted a project proposal for the Ten Mile Overflow Concentrated Use Area. The project consists of installation of a CXT.
- Stephanie Cobb submitted a project proposal for Environmental Adventures. The program provides environmental education programs to students.
- Tracy Rowland submitted a project proposal for “Hands on the Land Summer Science”, a program to provide local youth with hands-on work experience. The proposal is to fund the coordinator position.

Future Meeting Dates:

- January 13, 2009 in Prather. This will be open to those that have submitted projects by the deadline of January 8, to make presentations.
- January 27, 2010 in Clovis, CA. This meeting will be to vote on projects so this is a critical meeting for all members to be present.

Need to extend outreach and recruitment for new RAC Committee Members.
