

Apache-Sitgreaves National Forests
FS Employee Meetings - Second Round Results

| | |
|--|---|
| Access for persons with disabilities - retain or more access | Alpine Ranger District Meeting - 1/24/07 |
| Allotment Management - common sense simple management | Clifton Ranger District Meeting - 1/9/07 |
| Allotment Management - lack of accountability, enforcement | Alpine Ranger District Meeting - 1/24/07 |
| American Indian Rights - forest products - need to provide access to products, poles, herbs, baskets | Springerville Ranger District Meeting - 2/21/07 |
| American Indian Rights - Special Places - go to highest points for ceremonies | Springerville Ranger District Meeting - 2/21/07 |
| American Indian Rights & Interests - forest threats - also livestock trespass, cattles and horses from Tribes. | Springerville Ranger District Meeting - 2/21/07 |
| American Indian Rights & Interests - forest threats - maintenance of boundary fence especially at Mt. Baldy | Springerville Ranger District Meeting - 2/21/07 |
| American Indian Rights & Interests - forest threats - there is a lack of communication | Springerville Ranger District Meeting - 2/21/07 |
| American Indian Rights & Interests - Human caused fires. | Springerville Ranger District Meeting - 2/21/07 |
| American Indian Rights - Forest Improvements - boundary fences | Black Mesa Ranger District Meeting - 2/8/07 |
| American Indian Rights - Forest improvements - effects on Indian Rights - do more on FS on Rx burning | Lakeside Ranger District Meeting - 1/26/07 |
| Amount of law enforcement - don't have enough | Lakeside Ranger District Meeting - 1/26/07 |
| Amount of law enforcement - more | Black Mesa Ranger District Meeting - 2/8/07 |
| Amount of law enforcement - need more | Black Mesa Ranger District Meeting - 2/8/07 |
| Amount of law enforcement - need more | Black Mesa Ranger District Meeting - 2/8/07 |
| Amount of law enforcement - not enough | Springerville Ranger District Meeting - 2/21/07 |
| Amount of law enforcement - not enough | Springerville Ranger District Meeting - 2/21/07 |
| Amount of law enforcement - not enough enforcement | Springerville Ranger District Meeting - 2/21/07 |
| Amount of law enforcement - one for every district | Springerville Ranger District Meeting - 2/21/07 |
| Amount of roads - keep the same | Black Mesa Ranger District Meeting - 2/8/07 |
| Amount of roads - leave them open | Black Mesa Ranger District Meeting - 2/8/07 |
| Amount of roads - less roads good | Lakeside Ranger District Meeting - 1/26/07 |
| Amount of roads - need less roads | Black Mesa Ranger District Meeting - 2/8/07 |
| Amount of roads - too many | Black Mesa Ranger District Meeting - 2/8/07 |
| Amount of roads - too many | Black Mesa Ranger District Meeting - 2/8/07 |
| Amount of roads - too many , not good inventory | Alpine Ranger District Meeting - 1/24/07 |
| Amount of roads - too many open roads | Black Mesa Ranger District Meeting - 2/8/07 |
| Amount of roads - too many, some don't have enough | Supervisor's Office Meeting - 2/5/07 |
| Balance OHV use/opportunities. | Clifton Ranger District Meeting - 1/9/07 |
| Blue Primitive Area - Blue Wilderness designation | Springerville Ranger District Meeting - 2/21/07 |
| Blue Primitive Area - Blue Wilderness designation | Springerville Ranger District Meeting - 2/21/07 |
| Blue Primitive Area - do not do away with | Clifton Ranger District Meeting - 1/9/07 |
| Blue Primitive Area - keep primitive area vs. make wilderness | Alpine Ranger District Meeting - 1/24/07 |
| Blue Primitive Area - make into wilderness | Springerville Ranger District Meeting - 2/21/07 |
| Blue Primitive Area - wilderness | Supervisor's Office Meeting - 2/5/07 |
| Build up of fuels - need to control | Lakeside Ranger District Meeting - 1/26/07 |

| | |
|---|---|
| Close Forest Sooner during High Fire Danger - citizens not aware of dangers | Lakeside Ranger District Meeting - 1/26/07 |
| Close Forest Sooner during High Fire Danger - yes. | Clifton Ranger District Meeting - 1/9/07 |
| Closed Roads - be careful not to limit administrative access - need to be gated not bermed. | Springerville Ranger District Meeting - 2/21/07 |
| Closed roads - keep closed roads so folks don't tear up. | Springerville Ranger District Meeting - 2/21/07 |
| Closed roads - use gates instead of berms. This will help with admin. Use. Also a more effective closure. | Springerville Ranger District Meeting - 2/21/07 |
| Closed roads - we may want to keep roads open - well drained, etc and close roads in critical areas (riparian). | Springerville Ranger District Meeting - 2/21/07 |
| Closed roads and closure devices - close so that people can't drive around and cause resource damage | Springerville Ranger District Meeting - 2/21/07 |
| Closed roads and closure devices - don't like. | Alpine Ranger District Meeting - 1/24/07 |
| Closed roads and closure devices - more & less | Supervisor's Office Meeting - 2/5/07 |
| Closed roads and closure devices - more gates | Springerville Ranger District Meeting - 2/21/07 |
| Closed roads and closure devices - need more seasonal restrictions | Lakeside Ranger District Meeting - 1/26/07 |
| Closed roads and closure devices - need something. | Springerville Ranger District Meeting - 2/21/07 |
| Condition of recreation facilities - deal with old infrastructure | Black Mesa Ranger District Meeting - 2/8/07 |
| Condition of recreation facilities - maintaining is necessary for continued use, water & wastewater. | Springerville Ranger District Meeting - 2/21/07 |
| Condition of recreation facilities - need improvement & attention | Lakeside Ranger District Meeting - 1/26/07 |
| Consider cultural, historic, and prehistoric resources - consider cultural resources | Springerville Ranger District Meeting - 2/21/07 |
| Consider cultural, historic, and prehistoric resources - more consideration needed | Springerville Ranger District Meeting - 2/21/07 |
| Consider cultural, historic, and prehistoric resources - protect and interpret more | Lakeside Ranger District Meeting - 1/26/07 |
| Consider Effects on Water Rights - No. Health is more important than rights. | Clifton Ranger District Meeting - 1/9/07 |
| Consult/coordinate with other agencies - more coordination, less consultation | Alpine Ranger District Meeting - 1/24/07 |
| Cultural, Historic, and Prehistoric - yes. | Clifton Ranger District Meeting - 1/9/07 |
| Developed recreation facilities - need more with FS personnel | Lakeside Ranger District Meeting - 1/26/07 |
| Developed recreation facilities - visitor center closed due to lack of budget. | Springerville Ranger District Meeting - 2/21/07 |
| Developed recreation facilities - You cannot continue improving water systems without wastewater system (dilapidated) | Springerville Ranger District Meeting - 2/21/07 |
| Diminished vehicle access to the Forest - bad to diminish | Supervisor's Office Meeting - 2/5/07 |
| Diminished vehicle access to the forest - closing roads needed for fire access | Lakeside Ranger District Meeting - 1/26/07 |
| Diminished vehicle access to the forest - may lose access | Alpine Ranger District Meeting - 1/24/07 |
| Effects of livestock - effects on our wildlife | Springerville Ranger District Meeting - 2/21/07 |
| Effects of livestock - must be sustainable management | Lakeside Ranger District Meeting - 1/26/07 |
| Effects of livestock - negative | Supervisor's Office Meeting - 2/5/07 |
| Effects of livestock - negative effects | Alpine Ranger District Meeting - 1/24/07 |
| Effects of OHV use - adverse effects, resource damage, enforcement, riparian, noise | Lakeside Ranger District Meeting - 1/26/07 |
| Effects of OHV use - misuse on resources | Black Mesa Ranger District Meeting - 2/8/07 |

| | |
|---|---|
| Effects of OHV Use - negative impact | Supervisor's Office Meeting - 2/5/07 |
| Effects of OHV Use - resource damage | Alpine Ranger District Meeting - 1/24/07 |
| Effects of other management actions on dispersed camping - travel management | Supervisor's Office Meeting - 2/5/07 |
| Effects of Other Management Actions on Game Retrieval - 1 or 2 trips don't cause major resource damage. | Clifton Ranger District Meeting - 1/9/07 |
| Effects of other management actions on game retrieval - don't shut down | Supervisor's Office Meeting - 2/5/07 |
| Effects of recreation on other resources - on soils and wildlife | Black Mesa Ranger District Meeting - 2/8/07 |
| Effects on recreation on other resources - detrimental effect of commercial horse groups - rut trails | Lakeside Ranger District Meeting - 1/26/07 |
| Effects on water rights - acquire water rights | Springerville Ranger District Meeting - 2/21/07 |
| Effects on water rights - how management effects private water rights | Alpine Ranger District Meeting - 1/24/07 |
| Effects on water rights - in plan need strategy & direction | Springerville Ranger District Meeting - 2/21/07 |
| Effects on water rights - instream flow | Springerville Ranger District Meeting - 2/21/07 |
| Effects on water rights - need serious discussion on water rights, education, acquire water rights, how individuals are removing water, monitoring, fisheries concerns, ... | Springerville Ranger District Meeting - 2/21/07 |
| Effects on water rights - quantify water removal | Springerville Ranger District Meeting - 2/21/07 |
| Effects on water rights - should be priority | Springerville Ranger District Meeting - 2/21/07 |
| Effects on water rights - unclear who owns | Supervisor's Office Meeting - 2/5/07 |
| Effects related to Transportation System - important consideration | Clifton Ranger District Meeting - 1/9/07 |
| Effects related to transportation system - need to address effects of roads , desired road density to address soil, WL, watershed issues | Black Mesa Ranger District Meeting - 2/8/07 |
| Effects related to transportation system - negative impact | Supervisor's Office Meeting - 2/5/07 |
| Effects related to Transportation System - resource damage, education | Alpine Ranger District Meeting - 1/24/07 |
| Effects related to transportation system - sustainable transportation system, reduce erosion, cultural resource concerns | Lakeside Ranger District Meeting - 1/26/07 |
| Existing roads may be closed - close 2 tracks not all roads | Springerville Ranger District Meeting - 2/21/07 |
| Existing roads may be closed - close 2 tracks not all roads | Springerville Ranger District Meeting - 2/21/07 |
| Existing roads may be closed - close 2 tracks not all roads | Springerville Ranger District Meeting - 2/21/07 |
| Existing roads may be closed - close 'em | Springerville Ranger District Meeting - 2/21/07 |
| Existing roads may be closed - close more roads | Springerville Ranger District Meeting - 2/21/07 |
| Existing roads may be closed - close more roads | Springerville Ranger District Meeting - 2/21/07 |
| Existing roads may be closed - close more roads | Springerville Ranger District Meeting - 2/21/07 |
| Existing roads may be closed - concern over loss of access | Alpine Ranger District Meeting - 1/24/07 |
| Existing roads may be closed - don't want to close | Lakeside Ranger District Meeting - 1/26/07 |
| Existing roads may be closed - too many | Springerville Ranger District Meeting - 2/21/07 |
| Fire management - need discussion on appropriate management approach. | Springerville Ranger District Meeting - 2/21/07 |
| Fire protection and fuels treatment around communities - Are we doing what's appropriate? | Springerville Ranger District Meeting - 2/21/07 |
| Firewood gathering - allow more. | Springerville Ranger District Meeting - 2/21/07 |
| Firewood gathering - districts rely on the Forest Plan - how do we retain NEPA? | Springerville Ranger District Meeting - 2/21/07 |
| Firewood gathering - maintain indigenous uses | Black Mesa Ranger District Meeting - 2/8/07 |

| | |
|--|---|
| Firewood Gathering - maintain opportunities, law enforcement, manage better | Lakeside Ranger District Meeting - 1/26/07 |
| Firewood gathering - more <sp?> | Black Mesa Ranger District Meeting - 2/8/07 |
| Firewood gathering - need to get wood before rot | Black Mesa Ranger District Meeting - 2/8/07 |
| Firewood Gathering Policy - policy good as it is. No changes except better enforcement. | Clifton Ranger District Meeting - 1/9/07 |
| Fisheries - damming, sports fish vs. native, crayfish | Lakeside Ranger District Meeting - 1/26/07 |
| Fisheries - emphasize | Supervisor's Office Meeting - 2/5/07 |
| Fisheries - want fishing | Alpine Ranger District Meeting - 1/24/07 |
| Forest is too thick - some areas such a challenge to treat - steep slopes, owl pacs, near communities, etc. | Springerville Ranger District Meeting - 2/21/07 |
| Forest is Too Thick & Overgrown - Absolutely | Clifton Ranger District Meeting - 1/9/07 |
| Forest is too Thick & Overgrown - pine | Black Mesa Ranger District Meeting - 2/8/07 |
| Forest is too thick and overgrown - if fixed with thinning could fix a lot of other resource areas. | Springerville Ranger District Meeting - 2/21/07 |
| Forest is too thick and overgrown - more action needed. | Springerville Ranger District Meeting - 2/21/07 |
| Forest threats may spread to Tribal lands - we have a "Fire Use" agreement with San Carlos Apache Reservation. | Clifton Ranger District Meeting - 1/9/07 |
| Forest users may trespass onto Tribal lands - they need to enforce. | Clifton Ranger District Meeting - 1/9/07 |
| Forests' contribution to the local economy - link between this and multiple use. Need to identify that this Forest will manage for traditional multiple /extractive uses. | Black Mesa Ranger District Meeting - 2/8/07 |
| Fragmentation - on Forest | Supervisor's Office Meeting - 2/5/07 |
| Fragmentation - urbanization next to forest; impact of roads | Lakeside Ranger District Meeting - 1/26/07 |
| FS Management - this is public land and we're managing for them. | Springerville Ranger District Meeting - 2/21/07 |
| FS Management - We're losing our knowledge of ground - need to listen to public. | Springerville Ranger District Meeting - 2/21/07 |
| FS Management approaches - learn from mistakes, adaptive management | Alpine Ranger District Meeting - 1/24/07 |
| FS Personnel In/On the Forest - don't hire or promote invalids | Clifton Ranger District Meeting - 1/9/07 |
| FS personnel in/on the Forest - need more | Springerville Ranger District Meeting - 2/21/07 |
| FS Personnel In/On the Forest - reduced presence a concern | Lakeside Ranger District Meeting - 1/26/07 |
| Game retrieval - maintain game retrieval opportunities | Lakeside Ranger District Meeting - 1/26/07 |
| Garbage and littering - trash on Forest | Lakeside Ranger District Meeting - 1/26/07 |
| Grazing - concern with habitat loss - grasslands and meadow restoration. Need a landscape level look to see what areas need to be treated vs. ones those where it is natural succession. | Clifton Ranger District Meeting - 1/9/07 |
| Grazing - conditions related to grazing in riparian areas | Clifton Ranger District Meeting - 1/9/07 |
| Grazing - current standards and guidelines need to be reviewed | Clifton Ranger District Meeting - 1/9/07 |
| Grazing - many allotments are overgrazed - need to provide opportunities for rest - need more areas available that we can bump them (livestock) around. | Springerville Ranger District Meeting - 2/21/07 |
| Grazing - need to look at year round grazing - is it sustainable? | Clifton Ranger District Meeting - 1/9/07 |
| Grazing - not just cows causing overgrazing, elk too. | Springerville Ranger District Meeting - 2/21/07 |
| Grazing - we don't have as much land available in some areas for grazing - meadow encroachment | Springerville Ranger District Meeting - 2/21/07 |

| | |
|--|---|
| Grazing - we're trying to have a sound proper rangeland management considering other resources. If we continue, should be okay. most rangeland plans address other issues (resources) not just livestock mgmt. | Springerville Ranger District Meeting - 2/21/07 |
| Grazing and the ranching lifestyle - concern over loss | Supervisor's Office Meeting - 2/5/07 |
| Grazing and the ranching lifestyle - support the traditional use. | Alpine Ranger District Meeting - 1/24/07 |
| Grazing suitability - don't lose gains vs. bad decisions and no flexibility | Alpine Ranger District Meeting - 1/24/07 |
| Ground Truthing - do more, electronic information | Alpine Ranger District Meeting - 1/24/07 |
| Have enough garbage and litter already on Forest. | Clifton Ranger District Meeting - 1/9/07 |
| Hunting/Fishing - damming riparian to create sports fishing is not good | Lakeside Ranger District Meeting - 1/26/07 |
| Increase law enforcement | Clifton Ranger District Meeting - 1/9/07 |
| Increasing Population & Demand - Public needs to start envisioning alternatives to demands. | Clifton Ranger District Meeting - 1/9/07 |
| Increasing population and demand - conflicts with population increase | Lakeside Ranger District Meeting - 1/26/07 |
| Increasing Population and Demand - huge problem lots of unknown. | Clifton Ranger District Meeting - 1/9/07 |
| Increasing population and demand - too many people | Springerville Ranger District Meeting - 2/21/07 |
| Insect and Disease Management - maybe not mistletoe, but definitely inset | Clifton Ranger District Meeting - 1/9/07 |
| Insects and disease - concerns | Alpine Ranger District Meeting - 1/24/07 |
| Insects and disease - do something. | Springerville Ranger District Meeting - 2/21/07 |
| Insects and Disease - insects are a natural process - why would we interfere? Because we have modified the system. Need to look at specific situations. We are not in an ecological balanced situation. | Springerville Ranger District Meeting - 2/21/07 |
| Insects and Disease - insects are a natural process - why would we interfere? Should allow natural ecological processes. | Springerville Ranger District Meeting - 2/21/07 |
| Insects and disease - more action needed. | Springerville Ranger District Meeting - 2/21/07 |
| Invasives - dwarf mistletoe problem - we have a major problem - could be in past natural fires kept mistletoe in check. Mistletoe has a slow impact on trees. Concern about implementing Goshawk guidelines effectively. May need to do even-aged management on severely infected trees. | Springerville Ranger District Meeting - 2/21/07 |
| Invasives - have potential ot ruin rangeland and w/l habitat. Once it gets going will explode. | Springerville Ranger District Meeting - 2/21/07 |
| Inventory and map of transportation system - better maps made available | Springerville Ranger District Meeting - 2/21/07 |
| Inventory and map of transportation system - do better | Alpine Ranger District Meeting - 1/24/07 |
| Inventory and map of transportation system - more mapping and inventory | Lakeside Ranger District Meeting - 1/26/07 |
| Inventory and map of transportation system - not adequate | Supervisor's Office Meeting - 2/5/07 |
| Land Exchange - Be careful that we don't block access to FS land with land exchange. | Springerville Ranger District Meeting - 2/21/07 |
| Land exchanges - clean up boundaries | Supervisor's Office Meeting - 2/5/07 |
| Land exchanges - could lead to attracting more people - once private we have no control. | Springerville Ranger District Meeting - 2/21/07 |

| | |
|--|---|
| Land exchanges - fewer exchanges. | Springerville Ranger District Meeting - 2/21/07 |
| Land exchanges - make less available. | Springerville Ranger District Meeting - 2/21/07 |
| Land exchanges - need wildlife corridors, need appropriate lands for community expansions, less exchange | Lakeside Ranger District Meeting - 1/26/07 |
| Landscapes Being Fragmented - sprawl stop it | Clifton Ranger District Meeting - 1/9/07 |
| Law Enforcement - Can we increase citations for illegal acts? We need the discipline as well as education. | Springerville Ranger District Meeting - 2/21/07 |
| Law Enforcement - concern with employees that have collateral duties - have other jobs that may interfere. | Clifton Ranger District Meeting - 1/9/07 |
| Law Enforcement - do we have the ability to enforce the Travel Management Rule? | Clifton Ranger District Meeting - 1/9/07 |
| Law Enforcement - major drug route | Clifton Ranger District Meeting - 1/9/07 |
| Law Enforcement - major undocumented alien corridor - concerns with safety, dumping, warming fires. | Clifton Ranger District Meeting - 1/9/07 |
| Law Enforcement - need enforcement for all new things coming, for example travel management. Our FPOs aren't equipped to deal with some issues - they have no guns, less training. | Clifton Ranger District Meeting - 1/9/07 |
| Law enforcement - people need to take responsibility - it's their woods. | Springerville Ranger District Meeting - 2/21/07 |
| Law Enforcement - stretched too thin | Clifton Ranger District Meeting - 1/9/07 |
| Laws & other mandates - ability to manage | Lakeside Ranger District Meeting - 1/26/07 |
| Laws & other mandates - less law, streamline | Alpine Ranger District Meeting - 1/24/07 |
| Laws & other mandates - too many laws, impede actions | Lakeside Ranger District Meeting - 1/26/07 |
| Laws & other mandates affect FS ability to manage - a lot of gridlock is internally driven - not from appeals, lawsuits. Administrative decisions such as diameter cap limit us. Budget impacts. | Springerville Ranger District Meeting - 2/21/07 |
| Laws & other mandates affect FS ability to manage - give us more ability to manage with less analysis | Springerville Ranger District Meeting - 2/21/07 |
| Laws & other mandates affect FS ability to manage - gridlock is having an impact on Forest Mgmt - can't get anything done. | Springerville Ranger District Meeting - 2/21/07 |
| Laws & Other Mandates Affect FS Ability to Manage - too time consuming | Clifton Ranger District Meeting - 1/9/07 |
| Laws & Other Mandates Affect FS Ability to Manage - waste of precious time and money, studies are already done especially pertaining to Rx fire. | Clifton Ranger District Meeting - 1/9/07 |
| Laws (NEPA, ESA) & other mandates affect FS ability to manage - too many | Supervisor's Office Meeting - 2/5/07 |
| Limit or restrict certain uses. | Clifton Ranger District Meeting - 1/9/07 |
| Loss of grasslands - don't want to lose | Supervisor's Office Meeting - 2/5/07 |
| Loss of grasslands - Focus on ecological function - grasslands are disappearing. | Springerville Ranger District Meeting - 2/21/07 |
| Loss of grasslands - need to do meadows restoration. | Springerville Ranger District Meeting - 2/21/07 |
| Loss of grasslands - Rotate livestock. | Springerville Ranger District Meeting - 2/21/07 |
| Loss of grasslands - ties with need to manage a variety of vegetation composition and structure. | Black Mesa Ranger District Meeting - 2/8/07 |
| Loss of grasslands - treat to return | Lakeside Ranger District Meeting - 1/26/07 |
| Maintain and improve recreation facilities - yes. | Clifton Ranger District Meeting - 1/9/07 |

| | |
|---|---|
| Maintenance of transportation system - need to identify and then maintain, less roads, less maintenance | Lakeside Ranger District Meeting - 1/26/07 |
| Maintenance of transportation system - needs improvement | Springerville Ranger District Meeting - 2/21/07 |
| Maintenance of transportation system - roads suck | Springerville Ranger District Meeting - 2/21/07 |
| Maintenance of transportation system - roads suck | Springerville Ranger District Meeting - 2/21/07 |
| Maintenance of transportation system - roads suck | Springerville Ranger District Meeting - 2/21/07 |
| Maintenance of Transportation System - there are folks that want unmaintained roads. | Springerville Ranger District Meeting - 2/21/07 |
| Maintenance of transportation system - we don't maintain well enough | Alpine Ranger District Meeting - 1/24/07 |
| Maps and information regarding camping areas - more public information | Lakeside Ranger District Meeting - 1/26/07 |
| Methods to supplement law enforcement - citizen enforcement, hotline, available LEO to respond to reports. | Clifton Ranger District Meeting - 1/9/07 |
| Monitoring - more | Alpine Ranger District Meeting - 1/24/07 |
| Monitoring - more money for monitoring, use appropriate methods, integrate results | Lakeside Ranger District Meeting - 1/26/07 |
| Motorized opportunities - make sure have | Supervisor's Office Meeting - 2/5/07 |
| Motorized Opportunities - need to balance motorized use and provide non-motorized but consider resource effects | Black Mesa Ranger District Meeting - 2/8/07 |
| Motorized opportunities - want more | Alpine Ranger District Meeting - 1/24/07 |
| Multiple Use Management - continue to provide activities | Lakeside Ranger District Meeting - 1/26/07 |
| Multiple Use Management - doesn't have to occur on every acre. | Springerville Ranger District Meeting - 2/21/07 |
| Need current amount of roads. | Clifton Ranger District Meeting - 1/9/07 |
| Need for Protection and Fuels Treatment around Communities - community needs to be more actively involved. | Clifton Ranger District Meeting - 1/9/07 |
| Need more OHV Opportunities - specific areas delegated to OHV | Clifton Ranger District Meeting - 1/9/07 |
| Need more Stewardship Projects - no. | Clifton Ranger District Meeting - 1/9/07 |
| Need more thinning - yes | Clifton Ranger District Meeting - 1/9/07 |
| Need more wilderness | Clifton Ranger District Meeting - 1/9/07 |
| Need motorized opportunities - no | Clifton Ranger District Meeting - 1/9/07 |
| Need Sustainable Woody Biomass - yes. | Clifton Ranger District Meeting - 1/9/07 |
| Need to Manage a Variety of Vegetative Compositions/Structures - absolutely | Clifton Ranger District Meeting - 1/9/07 |
| No fee campgrounds - more needed. | Springerville Ranger District Meeting - 2/21/07 |
| No more land exchanges. | Clifton Ranger District Meeting - 1/9/07 |
| No-fee campgrounds - keep some no fee, not all can afford | Lakeside Ranger District Meeting - 1/26/07 |
| No-fee campgrounds - pay to play! | Black Mesa Ranger District Meeting - 2/8/07 |
| Non-motorized trails - more | Alpine Ranger District Meeting - 1/24/07 |
| Noxious & Invasive Weeds - absolutely need detection, mapping, management. | Clifton Ranger District Meeting - 1/9/07 |
| Noxious & Invasive Weeds - more action needed. | Springerville Ranger District Meeting - 2/21/07 |
| OHV Effects - who's tearing up our land? It's our kids - locals. Need education. | Springerville Ranger District Meeting - 2/21/07 |
| OHV opportunities - balance opps | Black Mesa Ranger District Meeting - 2/8/07 |
| OHV Opportunities - education needed, law enforcement needed | Lakeside Ranger District Meeting - 1/26/07 |
| OHV opportunities - more | Alpine Ranger District Meeting - 1/24/07 |

| | |
|---|---|
| OHV Opportunities - need designated areas. Need an area for folks to ride (designated off-roading) - keeps them contained, concentrates damage. | Springerville Ranger District Meeting - 2/21/07 |
| OHV Opportunities - need to educate folks where they can ride. | Springerville Ranger District Meeting - 2/21/07 |
| OHV use - more routes | Alpine Ranger District Meeting - 1/24/07 |
| OHV Use - need a place to go | Springerville Ranger District Meeting - 2/21/07 |
| OHV Use - Needs management of OHVs | Springerville Ranger District Meeting - 2/21/07 |
| OHV Use - resource damage, less is good | Lakeside Ranger District Meeting - 1/26/07 |
| OHV Use - too many | Springerville Ranger District Meeting - 2/21/07 |
| Old Growth - riparian standards are no longer applicable - these are more suited for the Pacific Northwest systems. Need to make specific for Southwest. | Springerville Ranger District Meeting - 2/21/07 |
| Old Growth - steep slopes are way overstocked - no longer have the Basal Area - we can't physically attain the old growth stnds, especially in Ponderosa Pine & Mixed Conifer. Habitat is not sustainable we'll be hurting species. | Springerville Ranger District Meeting - 2/21/07 |
| Other dispersed recreation - dispersed recreation opportunities | Lakeside Ranger District Meeting - 1/26/07 |
| Other dispersed recreation - more needed. | Springerville Ranger District Meeting - 2/21/07 |
| Other dispersed recreation - target shooting, adopt a trail | Alpine Ranger District Meeting - 1/24/07 |
| Outdoor Recreation - need a variety of rec - developed, natural, roaded, non-motorized, etc. | Black Mesa Ranger District Meeting - 2/8/07 |
| Outreach and Education - inform more on forest health, smoke issues, out of town use | Lakeside Ranger District Meeting - 1/26/07 |
| Outreach and Education - need more | Black Mesa Ranger District Meeting - 2/8/07 |
| Outreach and education - need more education about resources. | Springerville Ranger District Meeting - 2/21/07 |
| People coming to the area cause "problems" - also ties to access - possible clusters & increase resource damage | Springerville Ranger District Meeting - 2/21/07 |
| People coming to the area cause "problems" - don't want to see our Forest trashed. | Springerville Ranger District Meeting - 2/21/07 |
| People coming to the area cause "problems" - higher demands on water & wastewater systems | Springerville Ranger District Meeting - 2/21/07 |
| People coming to the area cause "problems" - more people, more law enforcement needed. | Springerville Ranger District Meeting - 2/21/07 |
| People coming to the area cause "problems" - NIMBY not in my backyard. History of 'other folks' coming in and causing problems - desire by locals to limit growth. | Springerville Ranger District Meeting - 2/21/07 |
| People coming to the area cause "problems" - some feeling that locals have more right to this Forest. | Springerville Ranger District Meeting - 2/21/07 |
| Planning Process - need a plan that is workable, useful and needs to have flexibility. Also need something that says 'get it done'. | Springerville Ranger District Meeting - 2/21/07 |
| Prescribed & Natural Fire - AMR & WFU | Springerville Ranger District Meeting - 2/21/07 |
| Prescribed and natural fire - burning conflicts with stewardship, range improvements, recreation, etc. What is priority? | Springerville Ranger District Meeting - 2/21/07 |
| Prescribed and Natural Fire - loosen prescriptions, not Gila style fire use. | Clifton Ranger District Meeting - 1/9/07 |
| Prescribed and natural fire - need to emphasize prescribed and natural use fire. Will never be able to afford to thin everything that needs to. | Black Mesa Ranger District Meeting - 2/8/07 |

| | |
|--|---|
| Prescribed and natural fire - timing of Rx burns is difficult. Manpower is also an issue - in the old days majority of Forest personnel helped to burn. | Springerville Ranger District Meeting - 2/21/07 |
| Prescribed and Natural Fire - use more and follow-up with maintenance | Lakeside Ranger District Meeting - 1/26/07 |
| Prescribed and natural fire - wildland fire use - should not be addressed as cost containment issue - it may actually cost more to do a fire use than suppression. | Springerville Ranger District Meeting - 2/21/07 |
| Protect vs. do not protect structures - could go back to tactics on fire incident. | Springerville Ranger District Meeting - 2/21/07 |
| Protect vs. do not protect structures - there is a perception that FS will protect people's houses. Our job is not home protection (state's responsibility) - not even our job to educate homeowners about firewise. Good neighbor policy. | Springerville Ranger District Meeting - 2/21/07 |
| Protect vs. do not protect structures - When is the private landowner responsible for protection? | Springerville Ranger District Meeting - 2/21/07 |
| Protect vs. do not protect structures - why are we losing lives saving homes? | Springerville Ranger District Meeting - 2/21/07 |
| Public Involvement - use TV 4 more, more public education on Rx burn | Lakeside Ranger District Meeting - 1/26/07 |
| Rangeland Management - need to allow southwest to recover from 1800s whatever it takes to achieve that | Clifton Ranger District Meeting - 1/9/07 |
| Recreation sites managed by concessionaire - improve wastewater systems - outdated (EPA) | Springerville Ranger District Meeting - 2/21/07 |
| Recreation sites managed by concessionaire - in order to maintain concessionaire sites follow up needs to be observed to ensure concessionaire are performing necessary improvements. | Springerville Ranger District Meeting - 2/21/07 |
| Recreation sites managed by concessionaire - need to make sure we are directing concessionaire to do appropriate maintenance | Springerville Ranger District Meeting - 2/21/07 |
| Recreation sites managed by concessionaire - would like to see water/wastewater addressed in plan. | Springerville Ranger District Meeting - 2/21/07 |
| Retain Access for Various Uses - keep broad and flexible | Clifton Ranger District Meeting - 1/9/07 |
| Retain access for Various Uses - quit closing the roads | Black Mesa Ranger District Meeting - 2/8/07 |
| Retain access for various uses - stop closing roads where there is no access. | Springerville Ranger District Meeting - 2/21/07 |
| Riparian - important | Clifton Ranger District Meeting - 1/9/07 |
| Riparian - riparian standards are no longer applicable - these are more suited for the Pacific Northwest systems. Need to make specific for Southwest. | Springerville Ranger District Meeting - 2/21/07 |
| Riparian Management - elk mgt | Springerville Ranger District Meeting - 2/21/07 |
| Riparian Management - elk mgt | Springerville Ranger District Meeting - 2/21/07 |
| Riparian Management - emphasize riparian health and need to do things to improve (especially in areas of encroachment, too many elk, etc) | Black Mesa Ranger District Meeting - 2/8/07 |
| Riparian Management - exclude priority areas from livestock | Springerville Ranger District Meeting - 2/21/07 |
| Riparian Management - exclude priority areas from livestock | Springerville Ranger District Meeting - 2/21/07 |
| Riparian Management - incorporate more in plans, protect more | Alpine Ranger District Meeting - 1/24/07 |
| Riparian Management - lack of | Black Mesa Ranger District Meeting - 2/8/07 |
| Riparian Management - need areas designated for no livestock. | Springerville Ranger District Meeting - 2/21/07 |

| | |
|---|---|
| Riparian Management - need more mgmt | Black Mesa Ranger District Meeting - 2/8/07 |
| Riparian Management - need to prioritize riparian health. | Springerville Ranger District Meeting - 2/21/07 |
| Riparian Management - too many elk | Springerville Ranger District Meeting - 2/21/07 |
| Riparian Management - too many elk | Springerville Ranger District Meeting - 2/21/07 |
| Riparian Management - watershed and riparian, protection improvement needed | Lakeside Ranger District Meeting - 1/26/07 |
| Roadless areas - keep roadless | Supervisor's Office Meeting - 2/5/07 |
| Roadless areas - more areas | Alpine Ranger District Meeting - 1/24/07 |
| Roadless Areas - need | Black Mesa Ranger District Meeting - 2/8/07 |
| Salvage dead and dying trees - as long as its dead keeping in mind the need for snags. | Clifton Ranger District Meeting - 1/9/07 |
| Salvage dead and dying trees - fire salvage. | Springerville Ranger District Meeting - 2/21/07 |
| Salvage dead and dying trees - have products pay for contract, develop | Lakeside Ranger District Meeting - 1/26/07 |
| Salvage dead and dying trees - in the plan need to set timeframes for decisions on salvage. | Springerville Ranger District Meeting - 2/21/07 |
| Salvage dead and dying trees - timing for salvage is critical - on the ground implementation needs to occur in timely manner. Things get in the way (NEPA, lawsuits, etc) | Springerville Ranger District Meeting - 2/21/07 |
| Salvage dead and dying trees - utilize our resources which are dying. | Springerville Ranger District Meeting - 2/21/07 |
| Serious effects of OHV use on other resources. | Clifton Ranger District Meeting - 1/9/07 |
| Small sales program - good to incorporate safety and health needs - hazard tree removal with small sales offer. | Springerville Ranger District Meeting - 2/21/07 |
| Small sales program - more sales | Springerville Ranger District Meeting - 2/21/07 |
| Small sales program - more!, increase | Black Mesa Ranger District Meeting - 2/8/07 |
| Small sales program - need more | Springerville Ranger District Meeting - 2/21/07 |
| Small sales program - need more | Springerville Ranger District Meeting - 2/21/07 |
| Small sales program - why not big sales | Springerville Ranger District Meeting - 2/21/07 |
| Small sales program and more logging - overgrown forest management, forest health , safety | Lakeside Ranger District Meeting - 1/26/07 |
| Small Sales Program and More Logging/Timber Sales - cost effective "thinning" | Clifton Ranger District Meeting - 1/9/07 |
| Small Sales Program and More Logging/Timber Sales - yes, but only for small diameter. No big trees. | Clifton Ranger District Meeting - 1/9/07 |
| Special use administration - streamline | Alpine Ranger District Meeting - 1/24/07 |
| Species mortality - aspen and willow. | Black Mesa Ranger District Meeting - 2/8/07 |
| Species mortality - Wishbone Mt. Area - loss of aspen | Lakeside Ranger District Meeting - 1/26/07 |
| Stewardship projects - not sustainable | Black Mesa Ranger District Meeting - 2/8/07 |
| Supplement law enforcement - need hotline for reporting violators. Cell phones are more prevalent - hotline makes sense. | Springerville Ranger District Meeting - 2/21/07 |
| Supplement law enforcement - we can help out our Forest officers, if we had more presence - out green trucks are a symbol of law enforcement. | Springerville Ranger District Meeting - 2/21/07 |
| Supplement law enforcement - we need to do more incident reports to support LE. | Springerville Ranger District Meeting - 2/21/07 |
| T&E - not managed for long term habitat | Springerville Ranger District Meeting - 2/21/07 |
| T&E - protect and manage to provide habitat | Lakeside Ranger District Meeting - 1/26/07 |
| T&E Species - don't know. Interesting. | Clifton Ranger District Meeting - 1/9/07 |

| | |
|---|---|
| T&E Species - take long term habitat look, landscape, manage for all wildlife | Alpine Ranger District Meeting - 1/24/07 |
| Thinning - continue | Springerville Ranger District Meeting - 2/21/07 |
| Thinning - in favor of thinning | Springerville Ranger District Meeting - 2/21/07 |
| Thinning - increase | Black Mesa Ranger District Meeting - 2/8/07 |
| Thinning - keep going! PJ | Springerville Ranger District Meeting - 2/21/07 |
| Thinning - more | Alpine Ranger District Meeting - 1/24/07 |
| Thinning - more | Springerville Ranger District Meeting - 2/21/07 |
| Thinning - need more | Lakeside Ranger District Meeting - 1/26/07 |
| Thinning - need more | Springerville Ranger District Meeting - 2/21/07 |
| Thinning - thin fuels | Springerville Ranger District Meeting - 2/21/07 |
| Thinning - we're avoiding thinning steep slopes around WUI b/c can't go on slopes over 40% b/c of owl - may have impacts later (fuel source for crown fires, etc.) | Springerville Ranger District Meeting - 2/21/07 |
| Thinning -more | Supervisor's Office Meeting - 2/5/07 |
| Transportation System - are we going to address road densities in plan? Need to have in plan so don't have to take a look each time in projects. | Black Mesa Ranger District Meeting - 2/8/07 |
| Transportation System - road density what is appropriate? | Springerville Ranger District Meeting - 2/21/07 |
| Vegetative compositions - need to pay attention to vegetation composition - heading right direction? More old growth? Too much homogeneity of stands and even-aged. | Lakeside Ranger District Meeting - 1/26/07 |
| Vegetative compositions - Rx's, how we design | Alpine Ranger District Meeting - 1/24/07 |
| Vegetative compositions/structure - diversity is out of whack | Springerville Ranger District Meeting - 2/21/07 |
| Vegetative compositions/structure - need to take a closer look and get back | Springerville Ranger District Meeting - 2/21/07 |
| Vegetative compositions/structures - habitat diversity - scenic values - sustained yield. Need to manage veg to meet resources such as watershed, WL, etc | Black Mesa Ranger District Meeting - 2/8/07 |
| Volunteers and Partnerships - yes. | Clifton Ranger District Meeting - 1/9/07 |
| Wild & Scenic Rivers - continue | Springerville Ranger District Meeting - 2/21/07 |
| Wild & Scenic Rivers - do not do away with | Clifton Ranger District Meeting - 1/9/07 |
| Wild & Scenic rivers - keep | Black Mesa Ranger District Meeting - 2/8/07 |
| Wild & Scenic Rivers - less designations | Alpine Ranger District Meeting - 1/24/07 |
| Wilderness - aren't managing for natural processes | Alpine Ranger District Meeting - 1/24/07 |
| Wilderness - more wilderness, lack management of wilderness | Lakeside Ranger District Meeting - 1/26/07 |
| Wilderness s- treat like wilderness, more | Supervisor's Office Meeting - 2/5/07 |
| Wildlife - concern we're managing everything on Goshawk - not an ecological balance. | Springerville Ranger District Meeting - 2/21/07 |
| Wildlife - native fish - Clifton RD has so many - this is the last stand for many species. | Clifton Ranger District Meeting - 1/9/07 |
| Wildlife - need ecological approach when doing plan - base on science not public perception - example: amount of elk. | Springerville Ranger District Meeting - 2/21/07 |
| Wildlife - need more consideration during projects. | Clifton Ranger District Meeting - 1/9/07 |
| Wildlife - need more emphasis on wildlife and water projects. | Springerville Ranger District Meeting - 2/21/07 |
| Wildlife - perception that we manage livestock over wildlife | Springerville Ranger District Meeting - 2/21/07 |
| Wildlife - Rodeo-Chedeski - we've lost MSO habitat for hundreds of years. | Springerville Ranger District Meeting - 2/21/07 |

| | |
|---|---|
| Wildlife - should we manage for tassel-eared squirrel above other things - probably not. | Springerville Ranger District Meeting - 2/21/07 |
| Wildlife - wonder what the owl densities were 150 years ago - are they really threatened today? | Springerville Ranger District Meeting - 2/21/07 |
| Wildlife & Habitat - deer & turkey habitat | Springerville Ranger District Meeting - 2/21/07 |
| Wildlife & Habitat - manage the forest for our wildlife and not for the livestock | Springerville Ranger District Meeting - 2/21/07 |
| Wildlife & Habitat - need more deer | Springerville Ranger District Meeting - 2/21/07 |
| Wildlife & Habitat - too many elk | Springerville Ranger District Meeting - 2/21/07 |
| Wildlife and Fisheries - if we emphasize other areas, should benefit wildlife/fisheries | Black Mesa Ranger District Meeting - 2/8/07 |
| Wildlife and habitat - ecosystem approach not single species, more public involvement in watershed protect all species not just T&E | Alpine Ranger District Meeting - 1/24/07 |
| Wildlife and habitat - maintain corridors | Lakeside Ranger District Meeting - 1/26/07 |
| Wildlife and habitat - manage habitat conditions. Avoid individual species approach where possible. | Black Mesa Ranger District Meeting - 2/8/07 |
| Wildlife and habitat - more deer, less elk | Supervisor's Office Meeting - 2/5/07 |
| Wildlife habitat areas - important | Black Mesa Ranger District Meeting - 2/8/07 |
| Wildlife habitat closure areas - for them | Supervisor's Office Meeting - 2/5/07 |
| Wildlife Habitat Closure Areas - if only to maintain or increase. | Clifton Ranger District Meeting - 1/9/07 |
| Wildlife habitat closure areas - like | Alpine Ranger District Meeting - 1/24/07 |
| Wildlife habitat closure areas - need to retain | Black Mesa Ranger District Meeting - 2/8/07 |
